

BROTHERHOOD TO
PROMOTE PEACE

Father and Son Movement
Bringing Men of World
Closer Together.

Geneva, Switzerland, Aug. 15.—The Father and Son Movement, developed in the U. S. where it has become a recognized institution, is spreading over the world. This was indicated today in a speech by Walter W. Head of Omaha, chairman of the National Father and Son Committee of the United States and also president of the American Bankers' Association, before the World's Committee of the Y. M. C. A. "More than 20 nations," he said, "observe Father and Son Week. In the United States alone upwards of

3,000,000 of fathers and sons joined in events during the past year."

The Father and Son Movement, originated at a Y. M. C. A. banquet of fathers and sons at Providence, R. I., in 1907, Mr. Head stated. He said further:

"Only as the fundamental principles of world brotherhood are recognized and accepted by the peoples of the world, can we ever hope for world peace. The men who are to direct the destiny of the nations of the world during the next generation are now the young lads who are in our homes today. What greater privilege has a man than to give of himself as a companion, teacher, advisor, and as an inspiration to his son, who tomorrow steps into responsibilities the significance of which we cannot conceive."

"Every man, whether or not he bears the physical relation of father and son, should give serious consideration to his own life, the ideals for which he stands, that his example will always prove to be an inspiration to the boy of today in encouraging the spirit of world brotherhood."

"In the United States we believe it most appropriate to observe National Father and Son Week at that period of the year when Armistice Day comes. This has proven to be an opportune time not only to pay honor and respect to the millions of fathers and sons who gave their lives for the ideal of world brotherhood, but a time for the fathers and sons who survive to reconsecrate themselves to life for that same great objective, world brotherhood, world peace. We are, therefore, planning for the observance this year to come during the week of November 9-16."

The World's Committee of the Y.

M. C. A. is planning to co-operate in making the Father and Son Movement universal. Details are to be worked out by the Boys' Work Division staff, of which E. M. Robinson, former secretary of the Y. M. C. A. Boys' Work in America, is now secretary.

SON, MISSING SIX YEARS, IS LOCATED
The finding of a son they had not heard of for six years was the happy experience of Mr. and Mrs. Edward C. Green of Toronto, last week. The boy

left home to join the naval or military forces, at the age of 17, and has not been heard of since that time until they found him working in Grimsby, Ontario. The parents were overjoyed at the discovery of whom they had given up as dead.

ST. JOHN VISITORS TO THE FAR WEST

The Maple Leaf, published in Oakland, California, publishes the following notes regarding St. John people, in its August issue:

Fred J. McDonald of St. John, New Brunswick, was a visitor to California this month, after making a tour of Canada from east to west. While in San Francisco Mr. McDonald was the guest of his sister, Mrs. E. W. Devany, and also had the pleasure of meeting many former friends as well as new ones. Mr. McDonald is connected with the firm of Vassie & Co., Ltd., wholesale dry goods, of which the Hon. W. E. Foster, former Prime Minister of New Brunswick, is president. Mr. McDonald was at one time state secretary of the Knights of Columbus for New Brunswick.

Frank H. Byron of St. John, N. B., is making a round-the-circle tour, taking in all the provinces of Canada, down the coast through Oregon, Washington and California, and will return home by the southern route. Mr. Byron is in the meat and grocery business in his home city, and is taking his first pleasure trip to the far west. Like all visitors, he is in love with California, especially the Eastbay side of San Francisco Bay. While in Oakland Mr. Byron spent a few days as the guest of Mr. and Mrs. Frank D. Griffin.

So would you be
a "Convert for Life"

—if this simple food had done as much for you

THESE REMARKABLE REPORTS are typical of thousands of similar tributes to Fleischmann's Yeast.

There is nothing mysterious about its action. It is not a "cure-all," not a medicine in any sense. But when the body is choked with the poisons of constipation—or when its vitality is low so that skin, stomach and general health are affected—this simple, natural food achieves literally amazing results.

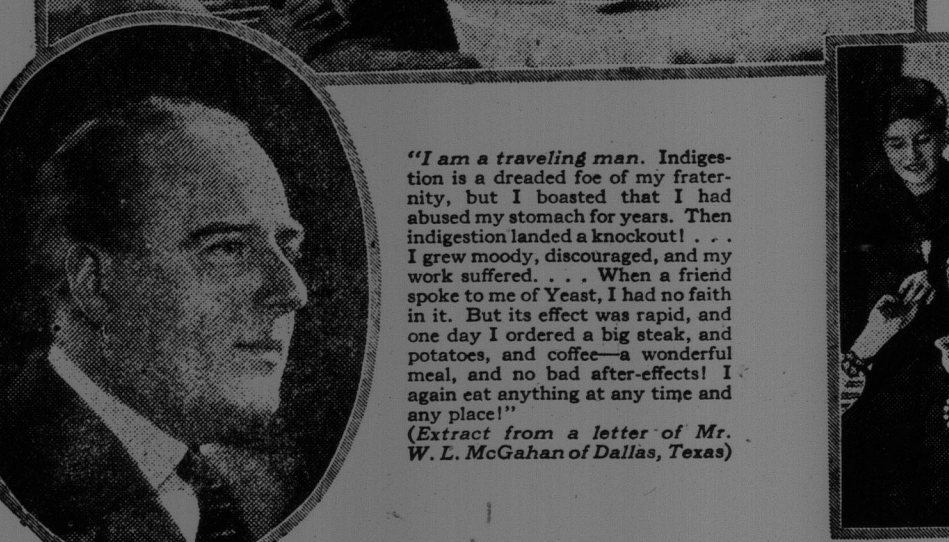

Concentrated in every cake of Fleischmann's Yeast are millions of tiny yeast plants, alive and active. At once they go to work—inactivating the whole system, clearing the skin, adding digestion, strengthening the intestinal muscles and

making them healthy and active. Health is yours once more.

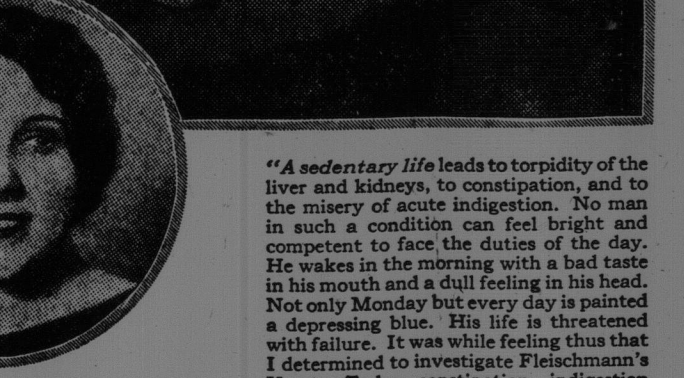

Dissolve one cake in a glass of water (just hot enough to drink)—before breakfast and at bedtime. Fleischmann's Yeast, when taken this way, is especially effective in overcoming or preventing constipation. Or eat 2 or 3 cakes a day—spread on bread or crackers—dissolved in fruit juices or milk—or eat it plain.

Write us for further information, or let us send you a free copy of our latest booklet on Yeast for Health. Address: Health Research Dept. 867, The Fleischmann Co., 208 Simeco St., Toronto, Ont., Canada.

"Constipation and blood impurities became first an annoyance, then a menace, and finally a chronic disability. My nerves were 'on edge'; I became moody, irritable, and subject to intense depression. One day I heard two chance acquaintances praising the merits of Fleischmann's Yeast. They spoke with enthusiasm, but it was their appearance, even more than their words, which decided me. . . . The age of miracles is still here. Inside of a fortnight, I noticed a distinct improvement in my health; in a month I was literally a new man. Within a year my nerves had steadied and my appetite came back. I am today in the pink of condition and a convert for life to Fleischmann's Yeast."
(Mr. Ellery A. Clark, Boston, Mass.)

"I am a traveling man. Indigestion is a dreaded foe of my fraternity, but I boasted that I had abused my stomach for years. Then indigestion landed a knockout! . . . I grew moody, discouraged, and my work suffered. . . . When a friend spoke to me of Yeast, I had no faith in it. But its effect was rapid, and one day I ordered a big steak, and potatoes, and coffee—a wonderful meal, and no bad after-effects! I again eat anything at any time and any place!"
(Extract from a letter of Mr. W. L. McGahan of Dallas, Texas)

"A sedentary life leads to torpidity of the liver and kidneys, to constipation, and to the misery of acute indigestion. No man in such a condition can feel bright and competent to face the duties of the day. He wakes in the morning with a bad taste in his mouth and a dull feeling in his head. Not only Monday but every day is painted a depressing blue. His life is threatened with failure. It was while feeling thus that I determined to investigate Fleischmann's Yeast. Today constipation, indigestion and all their attendant ills have gone—like evil genii before a magic wand. Arabian Nights contain nothing more wonderful."
(A letter from Rev. James E. W. Cook of Wilmington, N. C.)

"My face was so covered with pimples that I could scarcely touch it without an exclamation of pain, and so unsightly that I was ashamed to go out. Then a skin specialist advised me to eat two cakes of Fleischmann's Yeast every day, saying that my bodily resistance was low, and that there were not enough white corpuscles in my blood. I took the yeast regularly in a little orange juice, and now my face has changed so that my friends don't recognize me."
(Extract from a letter from Miss Olive Krass Kestlin of N. Sacramento Blvd., Chicago, Ill.)

"Struggling with my dead husband's business I found each day exacting more energy than I could generate. The end seemed inevitable—breakdown for myself and institutional care for my boys and girls. I heard someone joking another about eating Fleischmann's Yeast. I tried it. To my surprise I soon felt a sustaining strength which increased as I used the yeast regularly. With better digestion came improved assimilation resulting in added strength. Every time I buy Fleischmann's Yeast I feel positively ashamed of the trifling price I pay for each of these potent cakes."
(A letter from Mrs. A. C. Cowling, an Oklahoman)

FLIECHMANN'S YEAST FOR HEALTH comes only in the tinfoil package—it cannot be purchased in tablet form. All grocers have it. Start eating it today! You can order several cakes at a time, for Yeast will keep fresh in a cool, dry place for two or three days.
