BOARD OF HEALTH ESTIMATES PASS THE COMMITTEE

Decision was made yesterday by the finance committee of the municipal council to assess for the needs of the local board of health for the year 1922. The board of health for the year 1922. The committee had previously gone on record as being opposed to issuing a warrant for that purpose, but yesterday it reversed its decision in regard to the matter. Morning, afternoon and evening sessions of the committee were held and lengthy and careful consideration was given to the estimates of various county. lengthy and careful consideration was given to the estimates of various county institutions in an effort to keep down expenditures. Mayor Schofield was in the chair and others present were Warden Bullock, Councillors Jones, Frank, Thornton, O'Brien, Donovan, Campbell and Golding, and the county secretary,

At the morning session Joseph Likely and E. L. Rising, on behalf of the Anti-tuberculosis Association, asked that a grant of \$1,200 be made towards the salaries of officials of the association. This

was refused.

It was decided to assess \$175 for the valuators' fund, to meet a balance due on a revaluation of the county, conducted at a cost of \$20,000.

It was also decided that the parishes should charge themselves with a total of \$470 for revising voters' lists for the house of assembly. ed at a cost of \$20,000.

The question of provision for persons of unsound mind came up and it was pointed out that previous to 1921 the county was assessed \$4,400 for that item. The law was changed in 1921 and the county is now required to pay for 100 cases at the rate of \$2.50 per week. It will be necessary to issue a warrant for Will be necessary to issue the Provincial Hospital item in 1922. The assessment for 1921 was \$10,150 and of this there was collected \$8,527; out of this the county paid the government \$7,695, which included arrears for 1920. There is still owing to the government \$6,720 for 1921. The warrant of \$19,887.50 does not allow for defaults in collection.

Fixed charges for the municipal home, children's aid, diet kitchen, etc., were passed as required by law.

The interest and sinking fund charges in the nurses' home total \$17,336 and the charges on the nower bouse at the Concharges on the power house at the General Public Hospital are \$8,439.

Lancaster Bonds. At the afternoon meeting a motion of Councillor O'Brien that a bond issue of \$12,000 be made for the purpose of installing fire hydrants in the parish of Lancaster, fire district No. 2, was carried. The interest rate was placed at 5½ per cent, which shows that an improvement has taken place in the bond market.

How to Make Pine Cough Syrup at Home

It also was decided to draft a bill and attach a memorial to it requesting the provincial government to make provision for the payment for pauper patients who have no legal settlement in New Brunswick.

The secretary and treasurer were authorized to arrange with the bank for an overdraft of \$225,000, which sum is to be used to meet the expenses of the county until assessment is made and the laxes are collected.

It was decided to authorize the issuance of \$7,000 of bonds for recent improvements to the St. John County Hospital These improvements consist of the installation of a coal shed, garage, icc-making plant and improvements to the pipe line between the nurses' home and the power house.

The committee decided to issue books of receipt forms to tax collectors, whose duty it will be to give the rate-poyer a receipt from the form book. The book will be bound and contain a carbon copy of the original receipt given the taxpayer. It was found necessary to do this as many taxpayers in paying their highway rates, work them out, and receipts had been given as if they had paid in cash. It was ordered that the sum of \$25.74 be refunded to Charles Dalton, of Lancaster, for over-assessment.

It was decided that \$144 a month

Annually use organic Nuxated Iron to build up red blood, strength and endurance. There are thousands of people who are ageing and breaking down at a time of life when they should be enjoying that perfect health which carries defiance to disease simply because they are not awake to the condition of their blood. Without organic iron your blood carries no oxygen, and without oxygen there is nothing to unite with the carbon in your food so what you eat does you no good. It is like putting coal into a stove without fire. You can now obtain organic iron like the iron in your blood and like the iron in spinach, lentils, and apples from any druggist under the name of Nuxated Iron. Nuxated Iron also contains

ach, lentils, and apples from any druggist under the name, of Nuxated Iron. Nuxated Iron also contains the principal chemical constituent of active, living nerve force: it is, therefore, a true blood and nerve food. It helps create and rebuild new and stronger red blood cells. It feeds the body the substances which nerve force must have to give it that vital, electromagnetic power which is stored in the nerve and brain cells of man. Nuxated Iron often increases the strength and endurance of weak, nervous, rundown men and women in two weeks time. The manufacturers guarantee successful results to every purchaser or they will refund your money.

An interesting discussion took place relative to the work of the Baptist denominational board and the Maritime Religious Education Council. L. W. Simms, who is the president of the executive of the M. R. E. C., and also a member of the governing board of the denominational organization, spoke at some length and made it clear why both organizations were essential. He paid a warm tribute to the Baptist general secretary, Rev. Waldo C. Machum, who is now acting as the general secretary of the M. R. E. C.
