Germany's reply to the latest French note demanding payment was delivered to the foreign office at noon today. Premier Poincare, after a quick perusal of the document, gave his order. The penalties concern German properties sequestered in France. Certain payments that were being made to Germans on account of war losses are suspended in Alsace and Lorraine, as are also the indemnities under the arbitration agreements reached between France and Germany in August and September, 1921. No military action is involved.

PIGEON HOLE NO MORE IN U. S. POST OFFICES

Washington, Aug. 5.—The familiar pigeon hole, where all sorts and conditions of persons received their mail for generations is to be abolished in the United States post offices. Uncle Sam will serve his customers over the counter, and quit showing his post office wares through a tiny hole. "The principal reason for the removal of the pigeon hole is the parcel post," said a spokesman of the department today. "Bulky packages do not easily go through the narrow slot at the bottom of the gridded window. Designs for new post offices, recommended by the committee on post office buildings, call for long, collapsible windows and a counter for the parcel post section. Scales sunk in the counter speed up the weighing of packages."

WARE NOT GOING TO FREDERICTON

"Lefty" Ford Has a Good Word for St. John as Team Leaves—Newburyport to Play Unless Rain Prevents.

Quincy All-Stars, announced this morning that Fredericton had been unable to arrive at an agreement with Ware, his centre fielder, and he would return to Boston this evening with his team mates. "Jud" Markham, shortstop, and "Wild Bill" Dean, the third baseman, will report to the Fredericton club on Monday. The remainder of the team will leave on the Governor Dingy this evening for their homes.

Speakers of their two weeks' trip in the province, Mr. Ford said both he and his players were delighted with the treatment accorded them and will welcome the day when they will be able to return. He expressed the hope that he will be able to come here early next season and definitely decide the issue still pending with St. Peter's. He paid a glowing tribute to St. John as a baseball city, and thinks it is one of the best, comparatively speaking, he ever had the pleasure of playing in. He expressed the opinion that the game as played here today is faster than in the days of the Marshalls and St. Johns.

Newburyport.

The management of St. Peter's announced at noon today that the games with Newburyport would be played today unless rain makes it impossible. Fog alone would not prevent play. Men were kept at work on the diamond and a hope was expressed that the rain fall would not be heavy enough to force the cancellation of the games. The Newburyport team arrived in the Governor Dingy. The team is in charge of Joe Ford, brother of "Lefty," manager of the Quincy All-Stars, and as he is familiar with the class of ball played in the province, he is expected to have a high class ball club on this trip.

Inman, who served with him in France as an aviator, said Kinberg had suffered from a nervous disorder after a fall while in the Air Service, which left him with the desire to jump whenever he looked down from a great height. He had had two falls in his plane while in France. It was said, one from 1,800 feet and one from 1,000 feet, without suffering injury.

The party lasted until about three o'clock in the morning. Kinberg was asked to spend the night on the davenport in the living room. Although Kinberg lived with his brother on East Fifty-fifth street, he spent a great deal of time with the Inmans at the home of Mrs. Inman's parents in Kokomo, Ind. Miss Mary Carr, sister of Mrs. Inman, accompanied Kinberg from New York, and was present at a party in the apartment with Kinberg and other friends.

DAMAGE BY THE CUT-WORM HEAVY

Quebec, Aug. 5.—(Canadian Press)—Cut-worms have caused more damage in this province this year than last, according to G. Mahaux, chief entomologist, who has returned after an inspection tour. However, he said that the devastation was now over. The cut-worms, the tent caterpillars and the grasshoppers had been more widely distributed than usual and the cut-worms had played havoc with the cabbage and tobacco fields. In some instances not a single plant escaped. Tent caterpillars were seen in all districts "defoliating fruit shade trees, and a heavy infestation it is feared, is in sight for the coming year. Grasshoppers are mostly full grown everywhere. The amount of grain and hay destroyed has been considerable.

EXTEND SYSTEM FOR THE BENEFIT OF SOLDIERS

Ottawa, Aug. 5.—In connection with a report that the dominion government would extend financial support to Red Cross shops for disabled veterans, an official of the department of soldiers' affairs at the recent inquiry. The object of this action was being taken as a result of recommendations made by the department to the parliamentary committee at the recent inquiry. The object is to provide for the care of veterans for whom sheltered employment is necessary.

Such employment is provided by Ontario by the veterans' craft shops which have been operated by the department for the last two years in Toronto, Hamilton and Kingston. These shops, opened largely by way of experiment, have proved highly successful, and the intention now is to extend the system and enlist the co-operation of an outside agency.

It is expected that shops will soon be opened in connection with the Red Cross in other provinces.

BOTTOMLEY AND THE COCKNEY

London, Aug. 5.—(Canadian Press)—The hold which Horatio Bottomley, who has just been expelled from the House of Commons in consequence of his conviction on a charge of fraud, had on the Cockney, is evidenced by the fact that thousands in the present by-election district, are in the habit of voting for him.

Some people who know London say this is probably mostly idle talk among folk of the densely populated and rather adventurous in their own daily lives.

FINE AND JAIL FOR THOSE WHO WORK ON SUNDAY

London, Ont., Resolution for Strict Observance of Lord's Day Act.

London, Ont., Aug. 5.—Any persons who work on Sunday should be subject to a stiff fine and imprisonment as well. This is the substance of a resolution calling for a strict enforcement of the Lord's Day Act, which will be submitted by the London delegates to the Dominion Trade Congress in Montreal two weeks hence.

The labor men admit that there is such a thing as the Lord's Day Act but maintain that it excites but little attention. Now and again an employer is brought into the police court and subjected to a small fine and that is the end of it.

If there was a law compelling a fine and imprisonment as well, for the one who would accept employment, they say it would certainly tend toward a stricter adherence to the law.

"I wonder," said the reporter, "if the ball game will be snappy this evening?"

"Look-a-her!" said Hiram. "Aint you got some stake in this town? Don't you want to see it grow? Don't you want good street cars an' cheap light an' power?"

"Did you ever play bridge?" queried the reporter. "It is an absorbing game."

"I wonder," said Hiram, "if an earthquake would really wake you folks up in this here town? I guess not—fer you rize in them street cars. Well, the more I know about this town the prouder I be of the Settlement—By Hen!"

ST. LOUIS TEAMS EACH AT THE TOP

Twenty-five Hits in Game With Athletics

Sisler Loses Lead as Batter and Run Getter—Roger Hornsby Also Loses Some of His Honors.

(Canadian Press.)

New York, Aug. 5.—St. Louis teams today were leading both major league races. The Cardinals, by taking the second straight for the Phillies, 9 to 7, ascended to the top when the Giants split a double-header with the Cubs.

The St. Louis Americans, in a game of twenty-five hits, fifteen of which were for extra bases, defeated the Athletics 9 to 4, and maintained their one-game lead over the Yankees, who, with Ruth's nineteenth homer of the season, were victorious over Cleveland 7 to 6.

Two former Boston hurlers, Hugh McQuillan and John Scott, pitched for the Giants in the two games against the Cubs. McQuillan, held up by brilliant support for eight innings, became too generous in the ninth, and the Cubs, with three runs, won 3 to 2. Scott held the Cubs to seven hits in the second game, winning 2 to 1.

Bat Adams, "the aged," allowed three hits in eight innings to Boston, and the Pirates won 3 to 0. Rain saved the game for Adams in the ninth after Powell had hit a home run with two men, with a single and a double, rested and second and third with two out. But then the game reverted to the eighth. Brooklyn lost a heavy-hitting affair to the Reds, 6 to 5.

Cobb's Tigers, with Duss hurling well, defeated the Red Sox 2 to 0. It was Detroit's eighth straight win.

Washington won its third straight from the White Sox, 3 to 2, Zachery allowing but five hits.

The Batsmen.

Chicago, Aug. 5.—Ty Cobb continues to sock the ball with marked consistency, while George Sisler, St. Louis, is kept out of the game by illness. However, Sisler fared better than the Tiger leader during the last week, as he had a gain of one point over his mark of last week, by playing in three games. Cobb suffered a loss of three points in his last six games up to Wednesday.

Sisler is topping the list with an average of .415. Sisler has 405. This Speaker is third with 354, and Henry Hellman of the Tigers, next with 337.

Blue of the Tigers took the honors of last run getter from Sisler by registering ninety-one tallies, and Ken Williams, Sisler's team mate, deprived George of the total base honors by boosting his total to 256, eight better than Sisler's record. However, Sisler's mark of thirty-four stolen bases is far above that of any other player.

Ken Williams gave the home run hitters something to shoot at when he cracked out six homers in as many days and ran his string of four base blows to twenty-eight, giving him the lead among the major league players, his closest rival being Rogers Hornsby of the St. Louis Nationals, who held the honor for several weeks. Tillie Walker of the Athletics has twenty-five four base hits, and Babe Ruth is trailing with nineteen.

Other leading batters for eighty or more games—Miller, Philadelphia, 349; Bassler, Detroit, 343; Tobin, St. Louis, 341; McManus, St. Louis, 330; Blue, Detroit, 330; Witt, New York, 223.

Rogers Hornsby, star of the Cardinals was deprived of some of his honors during the last week, although he continues to lead the batters of the National League, with an average of .291. This, however, is a falling off of seven points from his mark a week ago. He bagged only one home run, and Sisler, also took another honor from the St. Louis star when he showed a sudden burst of speed and stepped out in front as a run getter. Max scored 87 times while Hornsby's total is only 86. Carey also stole four more bases, showing the way to the base stealers with 31 thefts.

Hornsby, however, in addition to being the leading batsman, and home run hitter in the league, has a good grip on the total base record with a mark of 280. His hits include, besides his homers 30 doubles and seven triples.

Other leading batters are: Grimes, Chicago, 263; Hollocher, Chicago, 260; Daubert, Cincinnati, 257; Johnson, Brooklyn, 255; Bigbee, Pittsburgh, 252; Miller, Chicago, 248; Carey Pittsburg, 242; Kelly, New York, 237; Bancroft, New York, 236.
