May Bring About International Swimming Races for Women

By TOM ANDREWS

It is possible that swimming contests between women of the European countries and the United States will be brought about in the next few years, the same as are now being arranged between women swimmers of Australia and those of England, Germany and other countries.

Miss Elba Whittaker of Milwaukee, one of the star women swimmers of the United States, says it is a step in the right direction and that she hopes the United States swimming authorities will follow the example set by England. Miss Whittaker says she would gladly enter an international match as a professional, and she feels certain there are many young women in the states who can swim near record time, if given the proper chance and inducements.

COLLISION CASE BEFORE COMMISSION IN OTTAWA

Ottawa, June 11—Before the peculiar claims commission yesterday the case of the King Edward was conducted and argument proceeded in the matter of the collision between the Yantic and an American gunboat, and the Canadian Canadian government steamer under charter to Robert Lindsay. It happened at Sillery Point in October, 1907.

Damages of \$9,750 are sought by the United States government. The issue involves mainly the rules of the road and technicalities of navigation.

E. L. Newcombe, K. C., represents the Canadian government and Arthur McKinstry the United States government.

Lord Haldane believes that 200 years hence people will look back on the twentieth century with all its boasted inventions as a barbarous age.

TROUBLED WITH KIDNEYS COULD NOT SWEEP FLOOR.

It is hard for a woman to look after her household duties when she is suffering from a weak and aching back, for no woman can be strong and well when the kidneys are out of order.

The weak, lame and aching back comes from sick kidneys and should be attended to at once so as to avoid years of suffering from the kidney trouble which is sure to follow if the back is neglected.

On the first sign of a pain in the back, Doan's Kidney Pills should be taken. They go right to the seat of the trouble.

Mrs. Joseph Throp, Upper Point de la Rivière, N.B., writes: "I cannot speak too well of Doan's Kidney Pills. For two years I was so tired, life was a burden, and I got up more tired than when I went to bed, and my back was so lame I could hardly struggle up. I took different kinds of medicine, but none of them did me any good until a friend advised me to try Doan's Kidney Pills. I did so and to-day I don't know what it is to be tired, and my lame back is all gone. I can recommend them to any person suffering with lame back and that terrible tired feeling."

PROMINENT AT THE PRESBYTERIAN ASSEMBLY

Toronto, June 11—Social service and conditions which had come under her notice in social work in the west, one evangelist was discussed at last night's session of the Presbyterian general assembly. A distinct sensation was made when a woman had gotten into the habit of using the drug by an address of Miss Gordon, of Calgary. She was describing some of the

Pure Beer Will Not make You Bilious

We go to Bohemia for hops; one of our partners selects the barley; water is brought from rock 1400 feet under the ground.

Not only is Schlitz—every drop of it—filtered through white wood pulp, but even the air in which it is cooled is filtered.

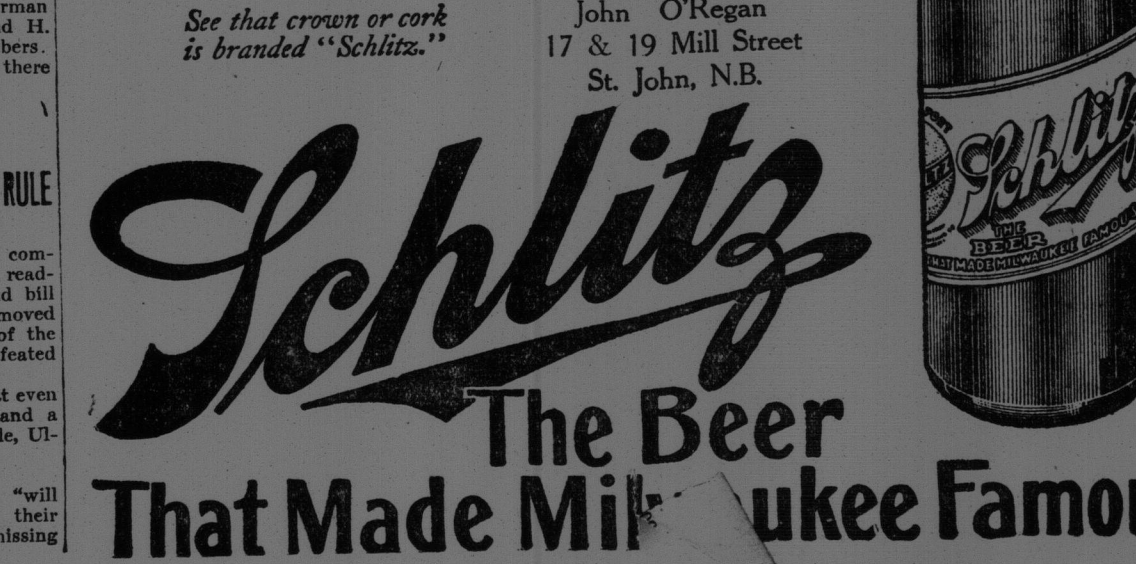

Before it is offered to you it is aged for months in glass enameled tanks. It will not, it cannot cause biliousness. It will not ferment in your stomach.

Light starts decay even in pure beer. Dark glass gives the best protection against light. The Brown Bottle protects Schlitz purity from the brewery to your glass.

More and more people every year are demanding Schlitz. Why don't you demand this pure beer?

See that crown or cork is branded "Schlitz."

TO RE-Forest DOMINION

Convention on the Subject Set for July

Ottawa, June 11—With a view to assisting in the great project having the prairie provinces and the western part of Ontario reforested, plans will be laid before the fifteenth annual convention of the Canadian Forestry Association July 2 to July 9, in Winnipeg. Besides the dominion government, nearly all the provinces will be represented.

Some of the problems relating to reforestation of Central Canada will be discussed. Amongst these will be the best methods of handling prairie forest reserves in the supply of timber fence posts, etc., for the settlers. Another problem will be that relating to the need of getting under timber the sand lands which will never produce any other profitable thing save trees.

Statistics will be presented showing that Canada is cutting 100 board feet an acre yearly, or eight billion board feet altogether, also that fires are destroying 850 board feet an acre, valued at from fifty to two hundred million dollars. The total forest area is estimated as containing six hundred billion board feet of merchantable timber worth ten billion dollars. Hon. Martin Burrell, Minister of Agriculture, will represent the dominion government.

Nervous Sufferers Often Look Well

While persons subject to disorders of the nerves are frequently thin and weak, such is not always the case by any means.

Many are of ruddy and vigorous strength and so healthy in appearance that they receive little or no sympathy.

In such cases the symptoms indicate trouble in the head and spinal cord. Though strong in a muscular sense, the nerves are affected, and spells of helplessness come over the sufferer. The condition is alarming, because the result to be expected is paralysis.

In all forms of nervous exhaustion, Dr. Chase's Nerve Food is the treatment from which the best results are to be obtained.

You cannot sleep, and feel restless and irritable; you gain strength, and then a little extra excitement brings on a nervous collapse, and helplessness and discouragement come over you again.

It seems impossible to concentrate the mind and to apply yourself to the duties of the day. Yet your appearance is such that people are inclined to think you are shamming.

Dr. Chase's Nerve Food will do wonders for you if you only give it a chance. Gradually and naturally it restores new vigor to the nerves and new hope and confidence to the mind.

Do you know, my friends, that there is a wonderful new way to apply a certain, great, natural FORCE to your body, and by which you may, without effort, trouble or inconvenience, treat your own self in the privacy of your home for debility and lost vitality, without using a single drug or medicine? This great FORCE, as a restorer of vitality and as a means to overcome those weaknesses which result from indigestion and unnatural practices, is today being used all over the civilized world, and I give it to you, as my honest opinion, based upon a vast observation and study, that any man anywhere, who leads a decent, manly life and who applies this marvelous FORCE in a scientific and rational way, can without employing a single drug, be restored again to a state of perfect, rugged health and vigor, without a remaining ache, pain or weakness.

As we all know, these various weaknesses handicap a man in every condition of life, while on the other hand, a perfect specimen of vigorous, lusty manhood is ever admired by both women and men alike, while, of course, it is certainly only such a man who can attain the really great successes of life. Therefore, I say to you, no matter what your size, whether you are a colossus, no matter what your occupation, no matter whether you are a college graduate or working on a farm or in the factory, no matter whether you are young or elderly, it is all a question of your vigor and your vitality, and if I can give you a good, abundant supply of this great power, you will be exactly the same in your influence over people, exactly the same in your manly bearing as other manly, strong-minded, warm-blooded fellows of your acquaintance.

With an idea of attaining all this for you, I recommend you to invest in a simple little VITALIZING APPLIANCE of my invention, which I am now sending out in great numbers for use by men everywhere who need a new manly strength. This little VITALIZER is very light, weighing only a few ounces, and can be worn without any one suspecting that you are wearing it. You buckle it on your body upon going to bed and take it off in the morning. Thus while you sleep it sends its wonderful power, which I call VITALITY or VITAL FORCE, into your blood, nerves and organs. Users of VITALITY or VITAL FORCE, can overcome the evil effect of past indigestion so you will be exactly the same in your influence over people, exactly the same in your manly bearing as other manly, strong-minded, warm-blooded fellows of your acquaintance.

NOTE—With special attachments my VITALIZER is used by women as well as men for rheumatism, kidney, liver, stomach, bladder disorders, nervousness and general ill health. Please write for book today, or, if near by, I should like you to call. Hours—8 to 6, Sundays excepted.
