DR. BAXTER MAKES PLEA FOR EAST

Member for St. John Asks Greater Sympathy for the Maritime Provinces.

TALKS ON TARIFF

Tells Toronto Audience St. John Port Deserves More Trade.

By Canadian Press.

Toronto, April 1—A plea for greater sympathy and understanding between the different sections of the Dominion was made by Hon. J. B. M. Baxter, M. P. for St. John, N. B., who addressed the Young Men's Club of the Board of Trade last night on the transportation and immigration problems of the Maritime Provinces.

After tracing the events which led up to Confederation, Mr. Baxter pointed out that the adoption of a high tariff in the United States had largely cut out of the Maritime Provinces their former market, the New England States, thus obliging them to look to the rest of Canada for new markets.

CROWDS ARE GLAD

Police Chief was Also Sentenced to Prison in Revolt Pact.

By British United Press.

Munich, April 1—General Ludendorff was acquitted today of a charge of treason for his share in the embryonic beer cellar, Munich of November, 1923. Adolf Hitler, one of eight other defendants, was found guilty and sentenced to five years' imprisonment.

Troops and special police kept people moving in the streets and broke up all gatherings of two or more, fearful of a Nationalist rising.

Word that Ludendorff had been freed was received with enthusiasm. Reichwehr, marching with rifles on their shoulders and "spotted masher" hand grenades, staffed in their belts, prevented a disturbance, however.

Of the defendants, Ludendorff was the only one completely exonerated. Hitler, together with Weber, Krizhal and Pophney, was found guilty of high treason and sentenced to five years in the fortress.
