May Play Local Champions.

It was learned last evening that efforts are being made to bring the fast East Millinocket team here for a game with the local champions. This outfit is supposed to be the fastest independent baseball team in Maine, and it will be remembered that this team shut out the St. Stephen team recently 10 to 0 with Paul in the box for the border team.

The Millinocket team also played an exhibition game with the Boston Braves earlier in the season and made a good showing against them. The local fans will eagerly await the outcome of the efforts of the management of the St. Peters to bring this sterling bunch of ball tossers here.

Clippers Champions.

By taking both ends of a double-header from the East End Beavers on Labor Day on the Rockwood diamond the East End Clippers are winners of the East End Intermediate League. In the first game both teams played good ball. The score was 7 to 3. The second game was slow and uninteresting, score 13 to 5. Batteries were: For the Clippers, Ramsey and Griffin; for the Beavers, McCuskey and Johnston, in the first game; and for the Clippers, the Griffin brothers; and for the Beavers, Hayes, LeBlanc and Johnston, in the second game.

Standings of the league: Won. Lost.
Clippers . . . 18 3
Beavers . . . 11 9
Imperial . . . 1 18

The Clippers had a very good season. Out of thirty-two games played, they have won twenty-four, lost five and tied three.

Dick Casey Summoned Home.

Dick Casey, the popular first baseman of the Neponset All-Stars, left for his home on the Boston train last night, having been summoned by a telegram from his mother. No particulars were given in the telegram, but it is thought that his only sister, Margaret, M. A., as she had been ill for some time. As there was no train for Boston until last night, he held down his position in the game yesterday afternoon, but his usual witty remarks were lacking—and no wonder. His many friends here will sympathize with him in his sorrow. Casey will be here again for next Saturday.

Baseball in Border Towns.

St. Stephen defeated Milltown yesterday, 3-2. Lubec won from Eastport, 11-9. Sports were run off also and St. Stephen was given the cup for the championship of the St. Croix League.

Deep-Seated Abscess in the Hip.
Remarkable Recovery after undergoing three operations without success.
Our Portrait is of Mrs. LAMBSON, of Motte's Mill, Withyham, Sussex, England, who writes:—
"I am writing to tell you of the benefit I have received from your Clarke's Blood Mixture. I had a deep-seated abscess in my hip and was laid up about fourteen months not able to do anything. I was in hospital nine months and had three operations. Still I was no better, so I took to come home. I had been home three weeks still feeling very ill, so I thought I would try your Clarke's Blood Mixture. The first bottle I used fetched the pus out more than ever, and by the time I had taken half the second bottle I began to eat better, and the discharge began to get less. I persevered with the Mixture, and after a few weeks began to get about a little on crutches out of doors. Then I began to get stronger, and now I am feeling better than I have done for years. The abscess is quite healed—I can now do my work and walk quite a long distance with a stick. I am sure if people suffering the same ailment would give Clarke's Blood Mixture a fair trial it would do them good. You can make whatever use you like of this letter."
CLARKE'S BLOOD MIXTURE, by reason of its remarkable blood purifying properties, can be relied upon to give speedy relief and lasting benefit in cases of Eczema, Bad Legs, Abscesses, Ulcers, Boils, Pimples, Eruptions, Piles, Glandular Swellings, Rheumatism, Scalds, Cuts.
