From L. J. RACINE, Esq.,
of La Moine, Montreal. "Having experienced the
most gratifying results from the use of Dr. Wistar's
Balsam of Wild Cherry, I am induced to express my
gratitude which I have in its efficacy. For this
purpose I was most graciously afflicted with a severe and
persistent cough, accompanied with acute pain in the
side, which did not leave me, either by day or night. The
symptoms increased alarmingly, and so reduced was I
that I could walk but a few steps without being obliged
to stop and rest. At last I purchased a bottle of the
Balsam, from which I found immediate relief. I
continued taking it, and in three days I was enabled
to resume my usual avocations. I have used the Balsam in my fam-
ily, and administered it to my children, with the best results.
I am sure that each Canadian who has the Balsam
can but speak in its favor. It is a preparation
which has only to be tried to be acknowledged as the
most reliable remedy."

From the mass of evidence in our possession we select
the following:
From L. J. RACINE, Esq.,
of La Moine, Montreal. "Having experienced the
most gratifying results from the use of Dr. Wistar's
Balsam of Wild Cherry, I am induced to express my
gratitude which I have in its efficacy. For this
purpose I was most graciously afflicted with a severe and
persistent cough, accompanied with acute pain in the
side, which did not leave me, either by day or night. The
symptoms increased alarmingly, and so reduced was I
that I could walk but a few steps without being obliged
to stop and rest. At last I purchased a bottle of the
Balsam, from which I found immediate relief. I
continued taking it, and in three days I was enabled
to resume my usual avocations. I have used the Balsam in my fam-
ily, and administered it to my children, with the best results.
I am sure that each Canadian who has the Balsam
can but speak in its favor. It is a preparation
which has only to be tried to be acknowledged as the
most reliable remedy."

WISTAR'S BALSAM
OF
WILD CHERRY
THE GREAT REMEDY FOR
CONSUMPTION,
and a acknowledged by many prominent physicians to be
the most reliable Preparation ever introduced
for the RELIEF and CURE of all
LUNG COMPLAINTS.
This well known remedy is offered to the public, and
highly recommended by the experience of over forty years; and when
employed in season, seldom fails to effect a speedy
cure of
Coughs, Colds, Croup, Bronchitis, Influenza,
Whooping Cough, Hoarseness, Pains of
Bones in the Chest and Side,
Bleeding at the Lungs,

tion of this medicine in all cases of
PULMONARY COMPLAINTS
has induced many physicians of high standing to employ
it in their practice, and of whom evidence of the fact
over their own signatures, we have space only for the
names of a few of them.
