specting the payment of workmen's wages, Parker Williams said that this bill had come up before. It was proposed to enforce fortnightly payments of workmen. He said that under the prevailing conditions it was often necessary for a man to work for about Hawthornthwaite's proposed amendment was due to an oversight on the part of one of the pages. He thought the boys in future would be more careful after this warning. No blame attached to Col. Wolfenden.

The premier added that he wished seven weeks before he got his pay. The time cheques discounted at hotels, etc.
The Premier moved the adjournment

NOTICE OF MOTION. section 5c of section 4 by adding the "Provided that whenever a salmon

cannery has not a complete line of machinery such as is commonly used in a well equipped cannery the personal property of such salmon cannery 10,900 shall be assessed at its actual value." QUESTIONS.

J. H. Hawthornthwaite on Thursday survey of the Bulkley Valley.. 1,500 next to ask the Hon. Minister of Finance:
1. Will section 4 of the Assessment 100 Act affect Nanaimo fishermen engaged in catching, smoking and curing salmon

> companies? LEFFINGWELL HEARD FROM.
