The Grand Keeper of Records and Seal presented the following report :

REPORT OF EXECUTIVE COMMITTEE.

To the Grand Lodge, Knights of Pythias of Ontario :

On behalf of the Executive Committee we beg to report that during the year two meetings were held at both of which all the members were present.

The first one was immediately after the close of your last session in Windsor. and was called to take action *re* the appointment of a Provincial Deputy, as per report of Special Committee on extending the order (see page 375, G. L. Journal, 1894).

The question was thoroughly discussed and all were agreed that if the services of Past Chancellor Broderick could be secured he would be the right man for the position. The brother being still in the city was sent for and the views of the Committee were communicated to him, the result being that the Committee authorized the Grand Chancellor to enter into an agreement with Bro. Broderick whereby he was to be engaged for a period of six months from date of reporting at the office of the Grand Chancellor, at a salary of \$150 per month, he to give his whole time and attention to the work of extending the order, under the direction of the Grand Chancellor.

The title agreed upon was Provincial Deputy and Inspector, and duties laid down as recorded in the minute book of the Committee.
