Dear Sir:

Your letter of the 18th instant No. 323289 received, and I note that you are willing for me to handle other timber at the Tsooahdie Reserve, and I appreciate this very much.

I would like to have a letter from you giving me authority to ^{use} ~~work~~ this mill, and the necessary wharf to load lumber on scows or boats; also the right to construct booms and store logs, in accordance with the sketch I enclosed in my letter of the 12th. Wouldn't it be as well to attach a sketch showing where you are granting me authority to ^{use} ~~work~~ these booms as long as my license is in force.

Yours very truly,

J. A. Richards
