A searchi but for every one of these which have gone out of the business a dozen of the lowest and most infamous dens imaginable have appeared like moral pests in the midst of our communities. It is not only a fact that poisonous intoxi-

to all appearances, other vices flourish ities to deal with them. We have an increase of drunkenness, and crime; they generally go together, and if the attempted enforcement of the Canada Temperance Act is not responsible for this state of things it has certainly done nothing to prevent it. It seems also to be a fact that the Temperance bodies have been lulled into comparative inaction because, having labored to bring the Act into action because, having labored to bring than it is if more legal acumen is required than is necessary to draw the quarter's salry as it becomes due than is necessary to draw the quarter's salry as it becomes due in the course for the course for the salry as it becomes due to face with some of our eminent is required than is necessary to draw the quarter's salry as it becomes due in the course for an important criminal suit. Still we suppose he will compare favorably, in point of experience, and it may be talent too, with the present Attorney General, who was quite unknown, generally, as a lawyer, until this important office was thrust upon him. They will make a sorry looking pair if brought face to face withsome of our eminent barristers.

Hon. Mr. Mitchell's Position.

course, like any other law. It seems, At a lunch given on board one of the however, that drunkenness like many other sins to which weak humanity al the other day, Hon. Peter Mitchell's tends, can only be checked by the high- name was coupled with a toast as one of er law, the enforcement of which is the ex-Ministers of the Crown. According within the province of those moral and to the Herald's report-

"Hon. Peter Mitchell, in replying, said religious agencies which are happily since his name had been associated with in operation amongst us, but are only weakened in their influence over this the toast, he felt called upon to respond, great enemy of mankind by the inter- though he thought it would have been better had Mr. Curran been given the ference of mere statutory restrictions. Let the friends of sobriety and common decency turn their attention to the matter and rid themselves of the prejucices which hinder them from viewing the though supporting the present policy of the Government, which he thought was question in its real and far-reaching best for the material interests of the councharacter and they will realise that in try. He was proud, however, to say that regulation and reasonable restriction for many years he had been a colleague of they will secure the greatest degree of | Sir John's and many of the other Ministers, mmunity possible from the evils which and acknowledged that during the trying are increasing among us. Let the license times of 1866-67, when arrangements were system be restored in a more perfect form, so that the dens which have minion, instead of leaving her disunited in small colonial portions, none worked harder to carry the theory successfully streets since the Scott Act came into operation (or, rather, inoperation) and through than the Cabinet of that time. These reflections called up much, and he the open drunkenness and loaferism was proud to have his name associated that have resulted, may be stamped with the toast."

Playing "Detective."

the fact and act upon it the better it THE CAMPBELLTON P. O. ROBBERY, -On

Mr. Skeffington may be a very able of certain gentlemen who would be exdetective in some reapects, but he is eviofficio and honorary members. The dently not fit to deal with such matters committee nominated and unanimously as the Campbellton robbery. It was as approved of by the meeting is as folwell known as possible that the guilty men left Campbellton for the South ; they jumped the train once—if not twice—and Members of the Provincial Board of could not have escaped a competent head Agriculture.
City and County Representatives in of a properly organized detective organization. Does the Intercolonial possess such Parliament.
City and County Representatives in the a head? If so how is it that he has not deneral Assembly,
Members of the Provincial Government,
Members of the Common Council,
Members of the Town Council of Portprovided himself with assistants armed with sufficient authority to detain, at sight, suspected characters who may be on the railway cars? Does he think more of the glory of being "sole detective" than of securing the ends of justice? The escape, for so long a time of the Campbellton burglars is calculated to discount Mr. Skeffington's prestige as a detective.

The Gilchrist Scholarship.

A despatch of 21st from Fredericton to the St. John Telegraph says,-"The result of the examination for the Gilchrist scholarship reached here, to-day, by circular addressed to Dr. Jack. By it, it appears that Wm. Marley Tweedie, of ount Allison College, Sackville, has not only been the successful competitor, but that he has gone in with the greatest Mt.
