Mrs. Dale then obtained a place as proof-reader on a daily paper and wrote stories for Sunday newspapers. She was able to pay something on her hotel bill and send money to the governess in Florida, who was taking care of her children there. Three weeks ago the hotel manager learned of Mrs. Dale's situation. He told her not to distress herself about her indebtedness.

ST PETERSBURG, April 19.— The population of Vladivostok is in want of the most necessary kinds of provisions and in consequence of the flooded rivers which interrupt communication, it is impossible to furnish them supplies. There is also a scarcity of money. Many inhabitants, particularly women and children are leaving the city, abandoning their property which they are unable to sell. Half of the houses in Vladivostok are empty.

Carpenters and joiners and plumbers and steamfitters are also expected to go on strike shortly. Marble workers and bricklayers have made demands and bricklayers and brick Dale's situation. He told her not to distress herself about her indebtedness and that she could remain at the hotel and pay when able to do so. Recently the bell boy, on going to Mrs. Dale's room found her acting strangely and the hotel physician diagnosed her case as melancholia, caused by lack of nutrition. JAPANESE PLANS.

The labor candidates felt confident of victory this morning. They claim that the labor vote is being cast solidly for them. They regard a split as highly preposterous. But they are not relying wholly upon the support of the men who put them in the field. With one or two exceptions, all the old aldermen feel sure of re-election. They freely admit, however, that the contest is unusually close.

What the total poll will be few would venture to guess. From the outlook at noon today it did not seem that much over a third of the qualified

votes would be cast. The polling will stop at four, but it will be late this evening before the returns are all in. It is thought that the

first returns from some of the small wards will make their appearance about eight o'clock. The returns will be received at City Hall.
