CLUB NOSES AND RETREATING CHINS. Due to Smoke Nuisance Says Scientist—Also Affects the Weather.

NDON, June 20—Sir William Osler, a member of the Royal Society, finds instances in unexpected sections to drive home his argument in his laudable, but hitherto unsuccessful, campaign against indoor smoke nuisance. Lecturing he told his hearers that the rings and early falls here were entirely by London smoke. The Londoners were also due to the use, for the smoke excluded light, and where there was no light there was no color. He went on to describe the physical deficiency of the poor to his pet aversion, that nothing could grow 'till, he declared that poor men often toothless, while the 'till noses and retreating chin common among the poorly-lives of London, were largely absent of light.

MADE MERRY

Celebrated Silver Jubilee in Great Style.

Sumptuous Banquet, Beautiful Decorations and Witty Speeches Marked Memorable Event Last Night

The 25th anniversary celebration of the Salvage Corps and Fire Police was held last evening in the York Assembly Rooms. The large ball room of the York Theatre was handsomely decorated with flags, pennants and costumed pictures and the tables were arranged to seat about a hundred people. The Fire Department Orchestra furnished music and several invited musicians added to the programme.

Among the guests of the evening were Mayor Sears, Chief Kerr, of the Fire Department; Chief of Police Clark, Recorder Skinner, City Chamberlain Fred Sandall, Director of Safety Wally Judge Ritchie, Chief Rutter and Ald. Hooper, of Fredericton; Judge Willich, U. S. Consul; the chairman of the different aldermanic boards, Supt. of Fire Alarms Joseph Green, Capt. W. H. White of No. 2 S. C. & F. P.; the chairman in honor and ex-members of No. 1 Company, Clarence Ward and Charles A. Everett the two oldest firemen in St. John and others.

The banquet, which was catered for by Miss Boyer, was much enjoyed by the assembled guests. The delicious coffee was prepared by Guy Humphrey. The tables presented a very pretty appearance and the costly decorations the whole scene was a delightful one.

Just before the toast list expressions of regret at being unable to attend the celebration were read by Lieut. Ervin from H. C. Rutter, chief of Fredericton Fire Department; W. S. Hooper, chairman Fredericton Fire Board; Ald. Frank A. H. Lindsay, Moncton; J. J. Robinson, Sydney; H. W. Cole; Geo. K. Barton; P. W. James; J. S. Kaye; P. A. Clarke, and others.

After the guests had paid their homage to the toast provided, Captain Frink proposed the toast to the King, which was received with musical honors.

A toast to "The Mayor," was next proposed by Captain Frink, who extended to the guests on behalf of the Salvage Corps a very cordial welcome to their celebration of the organization of the corps 25 years ago. Capt. Frink also spoke of the services rendered by the corps at different times and of the efficiency of the corps as was recognized by the City Council and as he believed that the corps should have a joyful, untainted, sanitary home.

At this stage in the proceedings Jack Kelly rendered a solo that was much enjoyed.

Ex-Captain Clark then arose and proposed a toast to "The Learned Professions," which was responded to by Judge Ritchie, Recorder Skinner and Judge Willich.

Mr. Skinner paid a high tribute to the fraternal and spoke of the need of honest straightforward lawyers in a growing country.

Judge Willich spoke of the loyalty of the Canadian people to the assistance of the feeling of the evening, so often expressed, of pride in the city and a desire to increase the efficiency of her institutions.

Captain Frink at the conclusion of the responses to this toast announced that silver badges had been prepared and were to be presented to all charter, honorary and present members of the corps.

A banjo solo was then rendered by G. A. Davison, which was much enjoyed.

A toast to the "City Fire Department, Public Safety Corps and Sister Corps," was then proposed by Dr. Scammell and responded to by Chief Kerr, Director Wally and Capt. White.

Chief Kerr dealt with the history of the formation of the corps and spoke of his connection with the movement. He also looked forward to a time when the corps would be suitably housed.

By request Steve Matthews sang the rollicking coon song, The Parson and the Bear. Needless to say his number was much enjoyed.

As usual The Ladies were not forgotten. Ex-Capt. Green proposed the toast and some remarks were made by Bruce Burpee and Gordon Brown in response.

corp, was then called upon for a speech and spoke briefly.

Percy Harney then sang delightfully the solo, Love Me and the World is Mine.

The last toast of the evening. Our Host, was proposed by Recorder Skinner and was responded to by Captain Frink.

With this toast the programme was brought to an end, the guests singing God Save the King in conclusion. Everyone expressed themselves as being delighted with the celebration, the Salvage Corps having done everything possible in the line of hospitality to make the evening a success.

DIAMONDS MORE NUMEROUS.

South African Output Next Year Will Increase 50 Per Cent.

WASHINGTON, June 20—Consul Frank D. Hill, in a report on diamond mining from Amsterdam, estimates that the 1908 production from South Africa will be 1,580,000 carats greater than the production according to the last available returns, which were for 1905. These show about 3,000,000 carats as the total South African production annually. If Mr. Hill's figures are correct the output of diamonds from South Africa will increase next year about 50 per cent. Diamond mine owners are disturbed over whether the largely increased output that is expected will force down the price.
