MRS. WINSLOW,
 An experienced nurse and Female Physician,
 presents to the attention of mothers, her
SOOTHING SYRUP,
For Children Teething,
 which greatly facilitates the process of teeth-
 ing, by softening the gums, reducing all inflam-
 mation; will allay all pain and spasmodic ac-
 tion, and is
SURE TO REGULATE THE BOWELS.
 Depend upon it, mothers, it will give rest to
 yourselves, and
Relief and Health to your Infants.
 We have put up and sell this article
 in various sizes, and can say in confi-
 dence and truth that what we have never
 seen of any other medicine—
 Never has it failed in a single instance, to
 effect a cure when simply used. Never
 did we know an infant who was dis-
 satisfied by any one who used it. On the con-
 trary, all are delighted with its operation,
 and speak in terms of the highest com-
 mendation of its magical effects and
 medical virtues.
 We speak in this manner "what we do
 know," after ten years' experience, and
 pledge our reputation for the fulfilment of
 what we here declare in almost every in-
 stance where the infant is suffering from
 pain and exhaustion. In fifteen or twenty
 minutes after the use of the syrup is
 administered.
 This valuable preparation is the pre-
 scription of one of the most experienced
 and skillful nurses in New England, and has
 been used with never-failing success in
THOUSANDS OF CASES.
 It will not only relieve the child from
 pain, but invigorates the stomach and bow-
 els, corrects acidity, and gives tone and
 energy to the whole system. It will al-
 most instantly relieve
**GRIPING IN THE BOWELS, AND
 COLIC,**
 and overcome convulsions, which in
 children, are almost always
 caused by indigestion, and
 dysentery and Diarrhoea
 arising from any other cause. We
 would say to every mother who has a
 child suffering from any of the foregoing
 complaints—do not let your prejudices
 stand between you and the relief that
 will surely—follow if timely used. Fall
 directions for the use of this medicine
 are on the outside wrapper.

THE GREATEST Medical Discovery, OF THE AGE.

Dr. KENNEDY, of Roxbury, has discovered
 in one of our common pasture weeds
 a remedy that cures
EVERY KIND OF HUMOR
 from the worst scurfy skin to a common pimple.
 He has tried it in over eleven hundred cases,
 and never failed except in two cases,
 (both thunder humor.) He has now in his
 possession over two hundred certificates of
 its value, all within twenty miles of Boston.
 Two bottles are warranted to cure a nursing
 sore mouth.
 One to three bottles will cure the worst kind
 of pimples on the face.
 Two or three bottles will clear the system of
 bile.
 Two bottles are warranted to cure the worst
 canker in the mouth and stomach.
 Three to five bottles are warranted to cure
 the worst case of erysipelas.
 One to two bottles are warranted to cure all
 humor in the eyes.
 Two bottles are warranted to cure running
 of the ears and blotches among the hair.
 Four to six bottles are warranted to cure
 corrupt and running ulcers.
 One bottle will cure scaly eruptions on the
 skin.
 Two or three bottles are warranted to cure
 the worst case of ringworm.
 Two or three bottles are warranted to cure
 the most severe case of rheumatism.
 Three or four bottles are warranted to cure
 the salt rheum.
 Five to eight bottles are warranted to cure
 the worst case of scurfia.
 A benefit is always experienced from the
 first bottle and a perfect cure is warranted
 when the above quantity is taken.
 Reader, I have peddled over a thousand
 bottles of this in the vicinity of Boston. I
 know the effect of it in every case. So sure is
 water will extinguish fire, so sure will this
 cure humor. I have never sold a bottle of it
 but that sold another; after a trial it always
 speaks for itself. There are two things about
 this herb that appear to me surprising; first
 that it grows in our pastures, in some places
 quite plentiful, and yet its value has never
 been known until I discovered it in 1841—
 second, that it should cure all kinds of humor
 and great popularity of the discovery, I will
 state that in April, 1853, I peddled it, and
 sold six bottles per day—in April, 1854, I
 sold over one thousand bottles per day of it.
 Some of the wholesale Druggists who have
 been in business twenty and thirty years, say
 that nothing in the annals of patent medicines
 was ever like it. There is a universal praise
 from all quarters.
 In my own practice I always kept it strictly
 for humors—but since its introduction as a
 general family medicine, great and wonderful
 virtues have been found in it that I never sus-
 pected.
 Several cases of epileptic fits—a disease
 which was always considered incurable, have
 been cured by a few bottles. O, what a mer-
 cy! I will not pretend to say in all cases that
 a few bottles will cure it, but I have seen
 many cured by it.
 I know of several cases of dropsy, all of them
 aged people cured by it. For the various dis-
 eases of the liver, Sickness Headache, Dyspepsia,
 Asthma, Fever and Ague, Pain in the Side,
 Diseases of the Spine, and particularly in dis-
 eases of the Kidney, &c. this discovery has
 done more good than any medicine ever known.
 No change of Diet ever necessary—Eat the
 best you can get, and enough of it.
 Discreetious use.—Adults one table
 spoonful per day—Children over ten years
 years, less spoonful. As no directions can be
 applicable to all constitutions, take sufficient
 to operate on the bowels twice a day.

Ayer's Sarsaparil

A compound remedy, in which we
 bared to produce the most effectual
 that can be made. It is a concentrate
 of Para Sarsaparilla, so combined with
 substances of still greater alterative
 to afford an effective antidote for the
 Sarsaparilla is reputed to cure. It is
 that such a remedy is wanted by the
 suffer from Strumous complaints, and
 which will accomplish their cure with
 of immense service to this large class
 afflicted fellow-citizens. How complex
 compound will do it has been proven
 in many of the worst cases to be
 of the following complaints:—
SORCILLA AND SCROFULOUS COM-
ERUPTIONS AND ERUPTIVE DISEASES, SAZ-
PIMPLES, BLOTCHES, TUMORS, SAZ-
SCALD HEAD, SYPHILIS AND SYPHILITIC
FRECTIONS, MERCURIAL DISEASE, DRUG-
RALGIA OR THE DOUGLOUREUX, DEBILITY,
PERFIA AND INDIGESTION, ERYSIPELAS
OR ST. ANTHONY'S FIRE, and indeed the
class of complaints arising from IMPURE
THE BLOOD.
 This compound will be found a great
 motor of health, when taken in the
 expel the foul humors which festers
 blood at that season of the year. By
 by expulsion of them many rankling
 are nipped in the bud. Multitudes
 the aid of this remedy, spare themselves
 the endurance of foul eruptions and
 sores, through which the system will
 rid itself of corruptions, if not assisted
 this through the natural channels of the
 by an alterative medicine. Cleanse
 vitiated blood whenever you find its im-
 purities through the skin in pimples, eru-
 ptions, or sores; cleanse it when you find it
 obstructed and sluggish in the veins; dis-
 solve it when it is foul, and your feelings will
 you. Even where no particular dis-
 ease is felt, people enjoy better health, and
 longer, for cleansing the blood. Keep
 blood healthy, and all is well; but when
 pabulum of life disordered, there can
 last long health. Sooner or later some-
 thing must go wrong, and the great machine
 life is disordered or overturned.
 Sarsaparilla has, and deserves much
 reputation of accomplishing these ends,
 the world has been egregiously deceived
 alone has not all the virtue that is in
 it for, but more because many prepara-
 tions pretending to be concentrated extracts
 contain but little of the virtue of Sarsapa-
 or any thing else.
 During late years the public have been
 led by large bottles, pretending to give a
 of Extract of Sarsaparilla for one dollar,
 of these have been frauds upon the
 they not only contain little, if any, Sar-
 sarsilla, but often no curative properties
 er. Hence, bitter and painful disappoint-
 ment has followed the use of the various ex-
 tracts of Sarsaparilla which flood the market,
 and which are justly despised, and have
 synonymously with imposition and cheat,
 we call this compound Sarsaparilla, and
 to supply such a remedy as shall rescue
 name from the load of obloquy which
 upon it. And we think we have ground
 believing it has virtues which are irre-
 fradication from the system, the remedy
 be judiciously taken according to directions
 the bottle.

Ayer's Cherry Pectoral
 has won for itself such a renown for the cure
 of every variety of Throat and Lung Complaint,
 it is entirely unnecessary for us to recount
 evidence of its virtues, wherever it has been
 employed. As it has long been in constant
 throughout this section, we need not do more
 assure the people its quality is kept up to the
 it ever has been, and that it may be relied
 for their relief all that it has ever been found
 to do.

**GREAT RAILWAY MEETING AT
 GRAND FALLS, N. B.**
 Pursuant to arrangements made at
 previous meeting held in February last
 a large and influential gathering of the
 inhabitants from various parts of the
 county assembled here this day for the
 purpose of expressing their opinion
 on the contemplated junction of the
 Grand Trunk and St. Andrews Rail-
 way Companies. Owing to the recent
 snow storms rendering the roads
 impassable, the Delegates appointed
 at the various towns in Acadia
 were prevented being in attendance
 at the meeting. The County Court
 was well filled, and never heretofore
 so much enthusiasm has been displayed
 upon this County as prevailed the mo-
 ment upon the occasion.

Colonel L. R. Coombs was un-
 anshly chosen chairman.
 Dr. Currier and N. L. Price, Esq.,
 were requested to act as Secretaries
 Secretary by request read
 the proceedings of a Railroad Meet-
 ing held at Houlton, Me. The Chair-
 man made some explanatory remarks
 to the contents of the foregoing
 documents, after which the follow-
 ing resolutions were appointed a commit-
 tee to prepare such statistical and oth-
 er information respecting the exports
 of this County, as might be
 sent up for a correct statement of
 transit traffic of this upper county
 committee.—Chas. A. Hammond,
 W. B. West, J. D. Beards,
 L. Price and W. T. Wilnot, Esq.
 after being in session submitted
 the following report which was un-
 anshly adopted.

The committee appointed to con-
 sider the merits and expediency of
 the transit trade and to report there-
 on have the honor to report that they
 have given the matter as much
 consideration as the shortness of their
 term allowed, and they would be-
 lieve for the following as their re-
 port for the committee find that the im-
