

INDIGESTION

If you have it, you know it. You know all about the heavy feeling in the stomach, the formation of gas, the nausea, sick headache, and general weakness of the whole body. You can't have it a week without your blood being impure and your nerves all exhausted. There's just one remedy for you—

Ayer's Sarsaparilla

There's nothing new about it. Your grandparents took it. 'Twas an old Sarsaparilla before other sarsaparillas were known. It made the word "Sarsaparilla" famous over the whole world. There's no other sarsaparilla like it. In age and power to cure it's "The leader of them all."

\$1.00 a bottle. All druggists.

Ayer's Pills cure constipation. "After suffering terribly I was induced to try your Sarsaparilla. I took three bottles and now feel like a new man. I would advise all my fellow creatures to try this medicine for it has stood the test of time and its curative power cannot be excelled." I. D. GOON, Jan. 30, 1899, Brownstown, Va.

From Rev. J. W. S. Young.

Since writing I had the pleasure of attending the quarterly meeting in Simonds, Carleton Co., on the 2nd Friday in March. It seemed like old times to meet with the brethren there, and I also drove to Centerville to take Bro. Calder's appointment at 11 a. m., and found a good congregation, and also was glad to learn that Bro. Calder is well received in his new field, also drove to Knoxford to be there at 3 p. m., glad he is looking after the little flock there, then the next week started for Newcastle, got as far as Manguerville but storm turned me about, but I had the pleasure of being with Bro. O. P. Brown, as he was engaged in some special meetings. Good is being done. I have just returned from a visit up the Tobique River, around the destitute, hungry and perishing. We had great pleasure of visiting the field with Bro. Sterling, Lic., and the people flocked to see and hear us at our new house. To see the teams loaded with the people would remind you of a quarterly meeting. The house full of eager listeners, and we had meeting in two school houses also while there, and it would do you good to hear the testimony, and a number arose for prayers. If we could have remained no doubt a good work could have been done, and as the people had had no preaching for three or four months it seemed sad that such a field should be so neglected. Bro. Sterling was very cordially received and is to return in two weeks. They hope to settle him in the field; we hope great good to be done. J. W. S. YOUNG.

Handicap your Cough!

Don't wait a few days to see if it will "wear off"; it is much more likely to become dangerous and it will undoubtedly be much more difficult to cure. The longer you permit it to prey upon the delicate membranes of your throat, bronchial tubes and chest, the more you render yourself susceptible to other attacks and to chronic pneumonias or consumption.

Adamson's Botanic Cough Balsam

is an infallible remedy: for more than 30 years it has been curing the worst cases and it will surely cure you. 25 CENTS AT ALL DRUGGISTS.

The police investigation at Brussels into the outrage upon the Prince of Wales shows that Jean Baptiste Sipido his assailant, acted without premeditation. Sipido was under the influence of companions who had urged him against his will to commit the outrage.
