DURANT WATER WILL
LIKELY PASS COUNCIL
WITH SMALL MAJORITY

A forecast of the vote of the aldermen on the Durant proposition at the council meeting this afternoon would indicate that the matter will likely go through on a division by nine to six.

It will be remembered that the vote in the general committee stood seven to six in favor of the adoption of the harbor board's recommendation. It is practically certain that the proposition will receive the vote of Ald. McGoldrick who was absent and of Ald. Scott who voted with the opposition on Wednesday on the grounds that he had not sufficient information in the matter of the property.

Yesterday Ald. Scully visited the proposed site for the first time and satisfied himself that its transfer would not interfere materially with harbor development. He could see, he said, afterwards speaking to a Standard reporter, that the site was of no value to the city at the present time and that the trestle stood in the way of development under present conditions. There would be 150 feet of an entrance into the slip which would be quite sufficient for all practical purposes.

As a result of his visit and of further inquiries he has made, Ald. Scully feels justified in lending his support to the measure and will register his vote in its favor today.

Ald. Elkin, who has made no secret of his opposition to the sugar refinery under the proposed terms, is out of the city and will not return in time to vote on the proposition. Ald. Potts, whose stand is uncertain, is also away and will not return until Monday. Though the opponents of the scheme have lost a vote by Ald. Scully's decision, it is believed they will gain a supporter in Ald. Holder who was prevented by illness from attending the general committee meeting.

Wednesday, Ald. Holder has taken strong ground against the grant to Mr. Durant. It was stated last evening that he was fully recovered and would be able to attend the council meeting today.

The Board of Trade. A member of the board of trade said yesterday that Ald. Kelley had very poor grounds in charging that the board was not a unit in favor of the transaction. One of the three men with whom Ald. Kelley said he had talked was not really a member of the board and to take the word of two out of three members as in any way an evidence of the feeling of the board was grossly unfair.

The same member said that many cities had spent thousands of dollars in advertising merely for the purpose of bringing manufacturers as close to the city as Mr. Durant had come without solicitation. He instanced the case of Port Arthur where a dock and shipbuilding plant were being granted 100 acres as a site worth fully \$1,000,000, and a yearly bonus of \$25,000, to be paid regularly at the end of each year if the management could show that 300 men had been employed the year around.

Mr. Durant, he pointed out, engaged to employ 300 men, but there was a wide difference between the terms he asked and the Port Arthur proposition.

BRIGADIER ADY
WARMLY WELCOMED
TO NEW COMMAND

Rousing and enthusiastic was the welcome accorded Brigadier and Mrs. Ady, the new provincial commanding officers at the Salvation Army Citadel last evening. Lieutenant Colonel Turner, the retiring commander, presided at the gathering and duly installed the new officers in the command. Under the new arrangement Brigadier Ady will have command over New Brunswick, P. E. I. and Bermuda while another officer has been appointed to the Nova Scotia command. Lieut. Col. Turner will go to Toronto to become financial secretary of the Army in Canada.

The Citadel was well filled last evening and it was evident that the new commander with his expansive smile and wonderful voice made a good impression.

Treasurer Barnes, in speaking of the corps on the east side of the harbor referred to the excellent record of Brigadier Ady both in Canada and in the Old Country and assured the new officer of the warmest support. Sergeant Major Smith, Capt. Wilde and Adjutant Carter spoke respectively on behalf of the West Side corps, the Evangelical Home and the Metropole uniting in wishing the brigadier a pleasant stay.

Staff Capt. Barr, who will act as chancellor to the new commander, made some important announcements and told of meeting Brigadier Ady in Scarborough, England, some twenty years ago.

Col. Turner commended the local staff to Brigadier Ady and charged him to be faithful.

Addresses were delivered by the new officers and both spoke with power and eloquence. Brigadier Ady has been devoting all his time to evangelistic work and will inaugurate a revival movement in St. John. On Sunday the local staff will be augmented by Lt. Col. Gasking, who will deliver his famous lectures Quaker Faith and How They Are Caught, and Leaves From My Diary. A public meeting will be held in the evening at which the new commanding officer and his wife will assist.

On Monday evening Col. Turner will bid farewell. The service will be conducted by Col. Mapp, field secretary in Canada. Mayor Bullock and other prominent citizens will occupy seats on the platform.

PERSONAL.

Messrs. J. A. Belyea, J. C. Belyea, and George Purdy have returned from a shooting trip up the river.

Mr. C. F. Inches and Mr. Hugh McKay left for Boston last evening to attend the Harvard-Yale game. Miss Jennie Webster of Shelburne is visiting Mrs. A. Pierce Crockett. Mrs. M. Parker of Westfield is in the city on a visit to Mrs. William Miller.

DISTRESSING CASE
OF RESTITUTION
NEEDS ATTENTION

In one small cold and barren apartment, that is used for kitchen, dining and bedroom, without fuel or food, and without any visible means of support, are at present living the wife and children of Richard Scott, who last week was placed under arrest for assaulting his wife, and given two months in jail.

With Mrs. Scott mentally deranged, a five year old little girl, and an elder sister, who is compelled to remain in the care of her mother, the case is one that calls for immediate action from the local authorities. Speaking with a Standard reporter last evening, neighbors expressed surprise that nothing had been done by the local authorities to assist the family.

The matter was called to the attention of Mr. S. M. Wetmore, secretary of the Municipal Home by a Standard reporter, and Mr. Wetmore stated that he was unaware that the family were in such distressing straits, and that measures would be taken immediately to render assistance.

It was learned that charitable persons have been providing the family with coal and other necessities for the past month. Dr. Christie will decide whether or not she should be sent to the Provincial Hospital. Last night the family were without food or fuel.

"GOLDEN HAIR AND
THE THREE BEARS"
WELL PRESENTED

The Choir Boys of St. Paul's (Valley) church under the direction of Mr. Moritz Hauptmann Emery, presented "Golden Hair and the three Bears," an opera in six acts, by J. Astor Broad, before a large and appreciative audience in St. Paul's church school-house last evening.

The story of "Golden Hair and the three Bears" is too well known to need any special mention. The young ladies and gentlemen, who took part in the piece last evening, deserve great praise for the creditable manner in which they presented the different characters. Every little stage detail seemed to have been given careful attention, while the actors plainly showed the result of careful rehearsal of their different parts. Special mention perhaps, should be made of Miss Gwendoline Gandy, as Gold Hair, while Miss Minerva Hutchinson in her role of the Woodland Queen displayed unusual ability.

The cast was as follows: Golden Hair, Gwendoline Gandy; Woodland Queen, Minerva Hutchinson; Will-o-the-wisp, John McKay; Lightfoot, Charlie Bourne; Frailty, Norman Bourne; Bard, Douglas Foster; Faithful, John McKay; Big Bruin, Rev. E. B. Hooper; Mammy Muff, M. H. Emery; Tiny Cub, Colin Woodrow; Chorus of thirty forest children, Choir Boys. Miss Marie Lyons was assistant pianist.

The opera will be repeated to-night and at a matinee on Saturday.

Mr. Harry T. Bailey, steward of the Union Club, is receiving the congratulations of his friends on winning first prize in the drawing for the Miles pictures. His prize is a scene on the Bay of Fundy coast executed in Mr. J. C. Miles' best style and handsomely framed. The picture was on exhibition at the Union Club yesterday and called forth much admiration.

Mrs. Ruddock, wife of Dr. R. C. Ruddock, port physician, was fortunate enough to win second prize, her trophy being a faithful portrayal of one of the prettiest scenes in the harbor. Other prize winners include Mr. W. J. Mahoney, John B. Leek, and Mr. G. H. Flood.

The committee in charge of the drawing consisted of Mr. F. Neil Brodie, Mr. E. R. Machum, Mr. F. C. Godsoe and Mr. F. C. Smith, the latter acting as secretary.
