Old Home Week Great
Success.

Amherst, July 17.—The great Old Home Week celebration is over. It opened with a sacred service on Sunday, July 10th, and closed in a blaze of glory with a dazzling display of fireworks, Saturday's feature, however, was the 15 mile race in which Fred Cameron was again a plucky winner. From start to finish the celebration was a success. The weatherman was on his best behavior, the celebration was well advertised, the number of homecomers and visitors was great and the programme for the week, embracing processions, sports of all kinds, racing, dancing, theatrical performances, a masquerade carnival, fireworks and other forms of amusements were put through without a single hitch. Today the citizens of Amherst are tired but happy and satisfied. When the programme was published a few months ago, many felt that the committee was attempting too much, but instead of criticizing they fell in line behind the men in charge and did everything in their power to make the celebration a successful one, and a success it was.

Never for an hour during the week did interest flag and today in point of numbers in town broke all records. The attraction in the morning was a polymorphous parade which was witnessed by not less than 10,000 people. To indicate unity of spirit that prevailed among the citizens of the town to make the home week a success, this parade may be taken as an example. One float, for instance, was driven by a husky saloon keeper and followed by a sober, sedate deacon of the Baptist church, a brigade of soldiers numbered among its privates arranged in cashmere, two leading bankers, a number of doctors and other professional men, four or five mechanics and a number of mechanics. Like the other features of the week the parade was a success.

The 15 mile race was the attraction in the afternoon, and it was attended by not less than 10,000 people. The race was run on a track in the town of Amherst. It was a matter of regret that two of the American runners, Messrs. Cook and Robertson, of Brookline, were not able to enter the race. Cook had hurt his foot in Tuesday's race, and both he and Robertson although anxious to start, acted on advice of physicians, and refrained from racing.

There were five starters: A. G. Horne, of Exeter, Mass.; Clarence DeMar, of Dorchester, Mass.; Ernest Sterling, of St. John; Walter Hackett, of Brookline, Mass., and Fred Cameron, of Amherst.

The track was officially measured before the race, by Engineer Read, of Amherst and Engineer Doane, of Halifax, Colonel S. O. Bigney, Attleboro, Mass., lined the men up at the start and fired the starting gun. Sterling at once forged to the front but was soon passed by Cameron with Horne, Hackett and DeMar behind. For the first twelve laps the position of the rear runners was constantly changing with Cameron steadily increasing his lead and lapping Horne in the third mile. At the first of the race Horne had set a pace for the other runners but it soon became evident that he was suffering intense pain. He pluckily held on to the front but, although before the ninth mile was finished Cameron had lapped him three times. His trainer asked the referee to take him from the track. He protested indignantly that he was quite fresh, but the physicians found that he was seriously ill and had concealed the fact from everyone so that he could enter the race. He is a splendid runner, and if he had been physically fit would have given Cameron a race for the silverware.

Sterling Lapped.
Before the tenth mile was reached Cameron had lapped Sterling twice and Hackett and DeMar had lapped him once. Sterling had run several races on the previous day and as he runs again on Tuesday, he left the

CALAIS WINS IN 11 INNINGS

St. Stephen Loses Third Game
of Series After Hard Battle
--Harrington of St. Peters
in Game.

St. Stephen, July 16.—Thanks to the enterprise of the Thistle Athletic Association in importing some talent to assist the baseball players developed last year, the first year in which St. Stephen undertook to play the game, this community is seeing the best baseball ball that it ever saw. Calais has been playing the game for several years and has a crack-a-jack team that they have reason to be proud of. In a series of three games between the two teams, the Thistles had won the first and Calais the second, when they met today for the rubber and it took eleven rattling good innings to decide it.

The victory went to Calais by just one score. The first five were blanks on both sides. In the sixth Calais made three, largely through a mixup between Lindsay in right and Fredette at short, both trying to get a fly that either could have gathered but both could not, resulting in a fatal collision.

The Thistles evened up by making three scores in the seventh. The eighth, ninth and tenth were blanks and Calais made the deciding run in the eleventh. For St. Stephen Gero and Love formed the battery, and for Calais Ryan and Cobb. Gero struck out nine and Ryan eight.

Harrington There.
Frank Harrington, of the St. Peters team, ably assisted the Thistles, playing left field, until Murphy was injured in the first innings so that he had to retire and the St. Peters men then played second. In the matter of an umpire, these games have developed a wonder, a Calais man who can umpire a game between the two teams to the satisfaction of both. This man is Eddie Doyle, and though he did not escape the umpire's usual roasting from the unknown ones and even from some of the fans, his work is commended by the losing players in yesterday's game. The deciding run in today's game, was made by Leigh, of Calais, on a close decision, but the umpire's ruling is confirmed by the Thistles' pitcher. Both teams played a splendid game throughout and the contest was watched by over 2,000 people.

Last Day Best at Moosepath HORSEMEN A WAY AFTER BIG MEET

Saturday's Races Were
the Best of the Lot
and Drew Biggest
Crowd.

Judge Dundon a Winner
of Dufferin Hotel Stake
--Surprises Sprung in
Sixth.

Things were lively at Moosepath Saturday for Get-away Day of the St. John Driving Club's series of running races. The presence of a band, the large number in attendance and the close finishes made the time pass very quickly and the "bookies" provided enough excitement for every body in sight. It was the best day's sport and the club left a pleasing impression which will work out to their advantage when the week of exhibition races is called on.

It was a fairly good day for favorites, although some surprises were sprung on the talent. In the first race Flarney picked to win was a good second and Altar third. Van Don was away on a good start and was never headed although Flarney pressed hard down the home stretch. Backers of Sanguine felt very sore as this horse got tangled in the starting rope and was never in the race.

Jubilee Jugkins was a favorite in the second race but was away off. He finished next to last in a field of five while first honors went to Ametus who showed his mettle on Thursday by beating a field of eight starters. Flarney made a great try in the home stretch.

Copper Princess made a great bid for the third race. The daughter of Montana led almost from the wire, but as on previous days was headed in the last hundred yards. Irwin P. Dicks came up from behind and forced in a winner. Johnny Wise, the favorite, finished third.

Lady Chilton Falls.
Bonnie Bee proved an easy winner in the fourth race. Lady Chilton, though picked to win, was satisfied with third place. Marie Rue was considered a likely one in this race but was acting very badly at the start and did not strike her gait until the bunch were some distance away.

The fifth was an all star race and the runners came in well bunched. Jack Ryan finally winning out. In the sixth race the surprise of surprises was uncoiled. Eita May was a 3 to 2 favorite and betting was heavy. Some wise ones stacked their coin on Sabo Blend and were fully justified. Mirdil also had her backers at a 12 to 1 shot and those who played the daughter of Previous for a place were all to the good. The Stephens horse also ran. Johnny Marks taking third.

In the Dufferin Hotel stake the win of Judge Dundon was no shock to the talent. He had shown what he could do before. Sir Walter Rollins gave him the race of his life for the greater part of the course, then weakened and Jack Baker forged in second, Conville beating out Precis for third. The summary follows:—

First Race—one mile, Van Dam, 112 (White), 3 to 1, won; Flarney, 119 (Knights), 4 to 5, second; Altar, 94 (Diamond), 6 to 1, third. Time, 1:48. King's Guinea and Sanguine also ran.

Second Race—6 1/2 furlongs, Ametus, 113 (Turner), 5 to 1, won; Pleasant, 107 (Martin), 3 to 2, second; Lillian Leigh, 110 (White), 4 to 1, third. Time, 1:27. Lucky Mate and Jubilee Jugkins also ran.

Third Race—5 furlongs, Irwin P. Dicks, 119 (Crowley), 4 to 1, won; Copper Princess, 117 (Knights), 3 to 1, second; Johnny Wise, 109 (Martin), 3 to 2, third. Time, 1:21. Bill Herron, Suderman, Jack Binn and Con also ran.

Fourth Race—5 furlongs, Bonnie Bee, 96 (Diamond), 6 to 1, won; Chalm, 101 (Turner), — to 1, second; Lady Chilton, 109 (Simmous), 3 to 5, third. Time, 1:06. Marie Rue and Square Deal also ran.

FLICK SOLD.
Cleveland, July 16.—Elmer Flick, for nine years outfielder for the Cleveland baseball club of the American League, was sold today to the Kansas City Club of the American association. Flick originally played with the Philadelphia National league team.

Horsemen Away.
The horse owners and officials who have been prominent at Moosepath during the past week left last evening for Montreal and the horses with their attendants will go to Quebec today, where the next meeting will be held early in August. The men who left last evening included V. Leondy, N. P. Duquette, racing secretary George Dillon and William Pierce, who has been in charge of the publicity end of the meet. Some of the owners will go to Moncton where they will hold a brief meeting. It was stated yesterday that the Moncton meeting has no connection with the St. John Driving Club under whose auspices the successful meeting at Moosepath last week was held. "The racing game has made a good start in St. John and we are well satisfied," was the way one of the officials expressed himself to a Standard man yesterday. "We expected to lose quite a lot of money on the first meeting and I am glad to say our loss has not been nearly as heavy as we expected. Next meeting will be a better one and I am sure there will be no loss. We are well pleased with the way the meet just closed came off and we will be back during the big fair with a better card than the one we have just put on and I think the people will enjoy the sport."

ROUGH HOUSE AT LACROSSE IN TORONTO

Toronto, July 16.—In a disgracefully rough exhibition of the national game in which the police twice appeared on the field and took the names of several players, Toronto defeated Tecumsehs at Scarborough Beach this afternoon by 8 to 5, thereby practically killing Tecumsehs last chance to be contenders for the N. L. U. championship and the Solomon cup.

SEAWANHAKA CHALLENGER AT MANCHESTER

Manchester, Mass., July 16.—The yacht St. Lawrence which will compete in the Seawanhaka races beginning July 25, arrived tonight from Montreal. The freight car which brought the yacht here was side tracked at a local boat company's yards and will be unloaded and placed in the water tomorrow.

The crew of five men also arrived today and went to the Eastern yacht club house at Marble Head where they will be quartered.

HELENE WON JUNIOR AT BRIGHTON

Empire City, July 16.—Helene, a 6 to 1 shot easily won the \$3,000 Brighton junior stakes here today, defeating a very poor field of two year olds. The race was marred by an accident to the favorite Seth. Seth stepped in a hole on the upper turn, which threw him out of the contest. Notter quickly straightened him out but the setback was too much and third was what he could do. Helene won by two lengths.

BOSTON YACHT CLUB BOATS BE CALMED

Boothbay Harbor, Me., July 16.—Calm weather prevented the setting of the week end ties by the boats of the Boston Yacht Club fleet today. Six of the boats started out this afternoon to go around the sixteen mile course but there was not wind enough and they were obliged to give up the race. Later in the day the fleet disbanded and many of the boats started for home. The rest of the afternoon there was a 16-mile motor boat race by local boats for prizes offered by the visiting yachtsmen from Boston. The race was won by Kennebec Boy, owned by Gilson of Gardiner, with the Eleanor second and Dream third.

ROTHESAY WINS FROM ST. JOHN AT CRICKET

A cricket match between the St. John city team and the Rothsay village team was played on the college grounds Saturday afternoon, Rothsay winning by a score of 76 to 39. Dempster and Turnbull handled the bat for St. John in fine style, scoring the greatest number of runs on their side, while W. J. Starr and B. Gilbert for Rothsay did some excellent work.

Sturdee and Ingelton did the best bowling for the city and W. J. Starr was the star twirler on the Rothsay side.

Three innings were played and there was a deal of smart play on both sides, the fielding and catching being particularly good.
