The meeting appointed a committee of five to attend the United Farmers' convention in New Brunswick next week.

65th Anniversary Was Celebrated

Charlotte Street United Baptist Church Was 65 Years Old Yesterday—Program Carried Through Last Evening—The Church History. The anniversary of the Charlotte Street United Baptist Church, West St. John, was celebrated last evening, it being just 65 years ago, January 30, 1855, when the church was organized.

There was a large congregation present last evening, and the services were opened with a brief address of greeting by the pastor, Rev. J. H. Jenner. Rev. Jacob Heaney, pastor of the Carleton Methodist Church, followed with reading the Scripture and prayer. W. P. Hoyt gave an address on the history of the church, and D. C. Clark gave the history of the Sunday school. An address was also given by Rev. Dr. David Hutchinson, pastor of the Main Street Baptist Church.

At the close of the services refreshments were served and a programme of music was carried through. The church was first organized and continued for several months to worship in the basement of a private house on King street, West side, until February in the year 1861, after which the services were conducted in the old King street meeting house, now known as the W. C. T. U. Hall.

In 1860 work was begun on a new church building on the corner of Ledlow and Rodney streets, and the following year worship was commenced in the basement of the new church house. The dedication sermon was preached by Rev. Samuel Hart, who was present at the organization of the church. D. W. Clark was its architect, builder and financier. The church was destroyed by fire on March the 27th, 1873. Although the act of an incendiarist was the cause of the destruction, the church was not discouraged but at once determined upon building anew.

It was, however, thought wise to secure a better foundation than the old site afforded. Thus the new church in which services are being conducted now was erected on Charlotte street. The officers at that time were: Deacons—D. W. Clark and Jacob Bacon.

Trustees—D. W. Clark, A. C. Smith, G. W. Davis, L. A. Theall, D. C. Clark, H. Hartley, J. W. Robertson, R. L. Adams.

Building Committee of the Church—D. W. Clark, A. C. Smith, G. M. Davis, L. A. Theall, D. C. Clark, S. G. Clark, G. Hartley.

Pastor—Rev. G. A. Hartley. Plans for the new church were drawn by Morgan Smith, architect, and the work of superintending was done by Deacon D. W. Clark. At the turning of the first sod there is known to be but one now living that was present. He is Deacon D. W. Clark, who is now 87 years of age. He is the son of William Howard, the dear brother whose body awaits burial this afternoon.

The first pastor of the church was Rev. Joseph Noble, who was succeeded in the year 1858 by Rev. G. A. Hartley, who on December 14th, 1903, after 45 years of honored service was called home to be with God. For 45 years he had loved and served the church, and after his death the Rev. R. W. Ferguson became his successor, and he also served the church for two years most efficiently.

In the year 1905 the jubilee of the church was celebrated. The original number of the congregation had grown from 21 members to a strong church numbering her children in all nearly one thousand.

During the first fifty years the church had but three pastors: Rev. Joseph Noble, Rev. G. A. Hartley and Rev. R. W. Ferguson.

The present church helpers are V. Warnock, G. White, G. Lanyon, W. Hoyt, C. Adams, B. Grant, D. Maxwell, G. Seely, A. Fullerton, L. Brown, B. Fullerton, B. Galbraith, H. Richardson and J. Nixon.

The trustees, holding and having charge of the church property at present are J. R. Webb, W. P. Hoyt, A. C. Gregory, R. L. Adams and John Nee. The Finance committee are G. N. Mott, A. C. Gregory, D. C. Clark, J. Treacraft and Harry Gallant.

Church treasurer, D. C. Clark. In 1916 an addition was made for Sunday school purposes, and general repairs were made at a cost of \$6,000. In 1917 the church entertained the delegates assembled in annual association. In 1918 a pipe organ was purchased and built in the auditorium at a cost of about \$1,750.

A Beauty Specialist Gives Home-Made Recipe to Darken Gray Hair. Mrs. M. D. Gillespie, a well-known beauty specialist of Kansas City, recently gave out the following statement regarding gray hair: "Anyone can prepare a simple mixture at home that will darken gray hair, and make it soft and glossy. To do this, mix a small box of Orle's Compound and 1/4 ounce of glycerine. These ingredients can be purchased at any drug store at very little cost. Apply to the hair twice a week until the desired shade is obtained. This will make a gray-haired person look twenty years younger. Thin, Nervous People Need Bitro-Phosphate

Weak, thin people—men or women—are nearly always nervous wrecks; thus conclusively proving that thinness, nervousness, debility and neurasthenia, are almost invariably due to nerve starvation. Feed your nerves and all these symptoms due to nerve starvation will disappear. Eminent specialists state that one of the best things for the nerves is an organic phosphate known among druggists as Bitro-Phosphate, a five-grain tablet of which should be taken with each meal. Being a genuine nerve builder and not a stimulant or habit-forming drug, Bitro-Phosphate can be safely taken by the weakest and most delicate sufferer, and the results following its use are often simply astonishing. By strengthening the nerves, weak, tired people regain energy and vigor; thinness and angularity give way to plumpness and curves; sleep returns to the sleepless; confidence and cheerfulness replace debility and gloom; dull eyes become bright, and pale, sunken cheeks regain the pink glow of health. CAUTION:—Bitro-Phosphate, the use of which is inexpensive, also wonderfully promotes the assimilation of food, so much so, that many people report marked gains of weight in a few weeks. Those taking it who do not desire to put on flesh, should use extra care in avoiding fat-producing foods.
