Mercantile Summary.

MR. CORNELIUS WALFORD, well known as the compiler of the Cyclopedia of Insurance, is in Montreal.

CITY Councillor Hamm, of St. John, has been appointed Government Superintendent of Inspectors of Coal and Flour.

BELLEVILLE's citizens voted, by a majority of forty-two, against a by-law to raise \$30,000 for local improvements.

A LATE gale destroyed 150 feet of crib work in Kincardine harbour, and appears to have formed a bar in the channel.

PORT HOPE is awakening to the fact that there is no trained crew to man the life-boat with which the Government has supplied that harbour.

ONE hundred thousand tons of Pittston coal were sold at auction in New York on Friday last, at prices fifteen per cent. above those of last month.

THE man Berger, who was employed in Montreal by the absconding jeweller Mellor, has been found guilty of conspiring to defraud the creditors of the latter.

OFFICERS have been elected for a street railway in Dundas, for which a charter has already been obtained. Mr. B. B. Osler is President; J. J. Bowman, Secretary.

A WRIT of attachment has been issued by the St. Hyacinthe Boot and Shoe Company against A. B. Rolland shoe dealer of Montreal. The career of this merchant was but a short one as he only began last winter. A dull trade, coupled with heavy rent and strong opposition were too much for him.

THE picturesque structure in the Philadelphia Exposition grounds which exhibits Canadian woods, was examined with attention by Mr. Nation, a contractor from Melbourne Australia. That gentleman has since come to Ottawa and after inspecting the yards, arranged to have eight carloads of pine sidings sent to Melbourne per "Ocean Gem."
