Gilbert and Sullivan's "The Pirates of Penzance" will be presented by the Dalhousie Glee and Dramatic Society this Thursday, Friday and Saturday.

Lead parts in the two-act comic opera will be taken by Anne-Ellen Garvock playing the role of Mabel and Gordon MacMurtry who will appear as Frederick. Bud Kimball, Bernadine Melanson, Jim Holland and Bob Waterman are other major leads. They will be supported by Ian MacLean, Jane Griffin, Janet Wood, Carol Taylor and Barb Ross.

A large chorus of young maidens, pirates and police has been at work on the production since early in October. Accompaniment for the production will be by an orchestra composed for the most part, of Dalhousie Students.

Graham Day is the director of the show. Graham took part in Gilbert and Sullivan Operettas during his years at Dalhousie and assumed the role of director last year for "The Mikado."

Curtain time is set for 8:15 and the production will be staged in the Gym.

In the evening the program will resume with a short variety show which will feature the highlights of the revues.

Council Retains Financial Control Fee Raise Question On Ballot

The Student Council approved in principle the proposal of Garry Watson, president of the DAAC, concerning the setting up of an Athletic Board. A committee, consisting of Garry Watson, John Nichols, Dave Bryson, and the incoming president of the Student Council, will meet with the Senate Committee on athletics to determine the university's views on the suggested set-up. The Council voted to give the proposal a one year's trial if the University approved.

The only major changes made by the Council from the original brief concerned finances. It was decided that the Council must retain control of Gate Receipts and that the Council will vote a lump sum to the Athletic Board rather than passing the budget point by point as in the past. It must be pointed out that the DAAC and DGAC, under the new proposal, would submit their budgets to the Athletic Board which would consider them and then forward them to the Council for final approval.

The Council also decided Saturday to hold a referendum on the proposed three dollar raise in Student Council fees. The referendum took place yesterday along with the voting for the major offices on the campus. Members of the Council felt that students were aware that the referendum would be coming and that the best time would be during the elections when approximately 60 percent of the students could be expected to vote.
