Post Arthur 3<sup>d</sup> Mar 1897

Sir

Enclosed is a Complaint  
from Chief Bush's two Councillors  
Lervie Deschamps and Moses McKay, and  
represents the truth, this Chief is a clever  
bad Indian, is now, and has been a bad  
example to his Band, and should be  
disqualified from being Chief again  
for many years, he was found drunk  
on Fort William Street, <sup>this week</sup> taken up by the  
Police and lodged in Fort William Jail  
for a month  
and may now be deposed by Section  
75. Page 24, the Chief required to take  
his place should be only elected to the  
end of the three years term July 1898  
if convenient to the Department, I  
would like instructions to have this  
election soon i.e. before he (Chief)  
is out of Jail

I am Sir  
Your Obedient Servant  
J. P. Donnelly

Deputy Supt. General  
of Indian Affairs
