I believe that during this winter it would be very important to have four or five big meetings, well prepared and well organized in small cities of our district, like Levis, Montmagny, Rimouski, Trois-Rivières and Sherbrooke. As far as Levis, ~~and~~ Rimouski + Montmagny are concerned the Young Conservative Association of Quebec is willing to take charge of the organization and to assume the responsibility to make a success out of these rallies.

This is, Sir, my first opinion.  
It may change after discussion with our friends.

However I hope you will excuse me to write you about my humble ideas in such a long way and before signing this letter I want to thank you for all the confidence and sympathy you are showing me. I do not deserve it but I am proud of it for the young conservatives whom I want to represent to the best of my ability.

I remain,

Truly yours.
