Senator Arthur Meighen,  
Ottawa, Ontario.

Dear Mr. Meighen:-

I am sorry to have to trouble you once more but I did not land the job as Superintendent of the Canadian Farm Loans Board. Mr. J. C. Kyle got the position, and I interviewed Mr. Kyle today to try and get an inspectorship for inspecting lands, etc.

I wish you would write Mr. Kyle, at 816 Toronto General Trusts Bldg., Winnipeg, setting forth my qualifications and also stating that I have always been a strong supporter of yours and that you think I should get the job. I am also writing Colonel Harry Mullins to write Mr. Kyle.

Yours faithfully,

*Levin C. Meighen*
