

Albemarle.

No transfer of money paid on the latter appears to have been made to the former lot, or to have been authorized.

The affidavit of Mr. Telfer received with your letter of the 10th December last is re-enclosed. You will please report in regard to the quantity of pine removed from the lot by whom it was removed and whether it was done in bona fide clearing the land for agricultural purposes or for purposes of traffic. Mr. Telfer's affidavit should be returned with your report.
