Ottawa, November 20th, 1909.

Madam,

I am sending you, under separate cover, a supply of quarterly school return forms for use in connection with the Indian pupils who are attending the Maniwaki white school under your charge.

The Department will be pleased to carry out the proposal made by Mr. Benson of this Department to pay a tuition fee for Indian pupils attending your school at the rate of \$1.00 a month, and it would be glad if you would use your influence among the parents to induce them send their children. There are many Indians living in the immediate neighborhood of the village who could and should send their children to your school.

These returns should be sent in quarterly through Mr. Agent McCaffrey, when payment will be made on his requisition.

Your obedient servant,

  
Secretary.
