Ottawa, 28th December, 1918.

Sir,

It appears that on the dissolution of partnership of the firm of Kemmis, Thomson & Jackson, Barristers, of Pincher Creek, resulting from some defalcations on the part of Mr. Kemmis you were appointed Receiver.

You are no doubt aware that one of the defalcations consisted of money due to the Henry Potts estate and paid by the Department to Messrs. Kemmis, Thomson & Jackson, solicitors for the administrators of the Potts estate. I would be glad to know what prospect there may be of the restitution of the said money to the Potts estate.

Your obedient servant,

Asst. Deputy and Secretary.

Henry E. Hyde, Esq.,
Pincher Creek,
Alta.
