Ottawa, 21st August, 1919.

Sir:-

I beg to acknowledge receipt of your cash book for July, and I beg to point out that the credit should be \$2440.24 not \$2446.24 as shown. There is an error of \$6.00 in the addition for which amount you should account. The amount of cash in your office should be \$77.01. It seems strange that you did not detect the error above mentioned, when the cash was counted at the end of the month. I enclose herewith the cash book return for amendment, and in order that you may furnish an explanation in this matter.

Your obedient servant,

Thos. Paul Esq.,
