

## IT MAKES HOME COMPLETE.

It is a great victory to overcome such an illness as Indigestion after being a victim of it for nearly twenty years; yet that is the sort of victory that Mother Seigel's Syrup has been winning all over the world, for the past 40 years. Mr. David Warnell, a well-known resident of Jeddore, Oyster Ponds, N.S., sent us a letter on January 11, 1910, in which he tells us that Mother Seigel's Syrup cured him, after twenty years of suffering and when four doctors had failed to give him relief. Mr. Warnell also declares that Mother Seigel's Syrup is so good a medicine that "No home is complete without it." Read the letter:—

"I have suffered from Stomach Disorders for twenty years or more, and during that period was treated by four physicians with no beneficial result. Mother Seigel's Syrup was finally used with great effect and overcame my troubles.

"My wife has used Mother Seigel's Syrup for palpitation of the heart, caused by Indigestion and wind pressure in the stomach, and it benefits her considerably; in fact, all of my family use this medicine and find it invaluable. I keep Mother Seigel's Syrup in the house all the time and cannot speak too highly of it as a family remedy. No home is complete without it."

Many people pass years and years in suffering, who may be quickly cured if they only take the right medicine at the right time. Mr. Warnell could have been cured just as easily if he had taken Mother Seigel's Syrup twenty hours after

his first attack, as he was when he took it many years later. What his condition must have been is well shown by this letter, dated at West Jeddore, Jan. 19, 1910:—

"I am well acquainted with Mr. Warnell; in fact, I have known him since boyhood. Four years ago he did not seem to me as if he could live three months. He is keeper of the Big Iron Drawbridge of Jeddore, which entails considerable work, and he was obliged to cease his labours on account of sickness. Now, after the help of Mother Seigel's Syrup, he can attend to his duties as well as any man. Yours truly,

P. W. MASKELL,"

Stipendiary Magistrate for Halifax Co., N.S.

All that Mother Seigel's Syrup does in such cases is to restore the digestive system to healthy natural condition. Both the Syrup and the Pills are made from the extracts of roots, barks and leaves which have a direct tonic and curative effect on the stomach, liver and bowels.

Mr. Benjamin Clements, of Roseville, Prince Edward Island, wrote us on February 10th, 1910, saying:—"I have been troubled greatly with my stomach and bowels and much relief has been afforded to me by using Mother Seigel's Pills. I never want to be without them in the house and strongly recommend them to anyone who is troubled as I was. To my mind there are no other Pills equal to them."
