MR. SBARRETTI'S PART

Hon. Robt. Rogers Gives the
Story From First to Present.

Sir Wilfrid Laurier Asked the Mani-
toba Deputation to Wait for Three
or Four Days for His Answer, and
On the Third Day the Paper Ab-
sented Invited a Conference With
Them and Submitted His Propo-
sed Amendments.

Winnipeg, April 5.—The Hon. Rob-
ert Rogers, Minister of Public Works,
and member of the official Manitoba
delegation to Ottawa on the boundary
extension, issued the following state-
ment yesterday:

"On February 13 we received a for-
mal invitation by telegram from Sir
Wilfrid Laurier to come to Ottawa as
soon as convenient. We left on February
14 and arrived on the afternoon of the
16th, when we received a letter from
Sir Wilfrid at the Russell House, say-
ing he would be pleased to meet us in
his office at midday on Friday, the
17th. During that interview we pre-
sented the claims of the Province as
urgently and as strongly as possible.
In reply, Sir Wilfrid said that if we
would be good enough to remain in
Ottawa for three or four days he would
again send for us, and would then be
in a position to give us an answer.

"In three days' time, on February 20,
a letter was received from His Excel-
lency Mr. Sbarretti, asking for a con-
ference. This invitation was accepted
and His Excellency then presented the
following memorandum, remarking
that if we would place this on the sta-
tute book of our Province it would
greatly facilitate an early settlement
of our mission—the fixing of our bound-
aries, which would be extended to the
shores of Hudson Bay. His Excellency
further added that our failure to act
in the past had prejudiced our claim
for extension westward."

The following is a copy of His Ex-
cellency's memorandum, containing the
proposed amendments to the Manitoba
Schools Act:

Sbarretti's Amendments.
"Add to section 25 (B), 'And when
in any city or town there shall be 25
or more Roman Catholic children, and
also 25 or more non-Roman Catholic
children, or in any village more than
15 of each of such classes, the trustees
shall, if requested by a petition of par-
ent or guardians of such number of
either of such classes, provide separate
accommodation for each of such
classes and employ for them, respec-
tively, Roman Catholic or non-Roman
Catholic teachers.'
"Add to section 45 (B), 'And when
in any district there shall be 15 or more
Roman Catholic children, and 15 or
more non-Roman Catholic children, the
trustees shall, if required by a petition
of parents or guardians of such num-
ber of either of such classes, provide
separate accommodation for each of
such classes and employ for them, re-
spectively, Roman Catholic and non-
Roman Catholic teachers.'
"The memorandum speaks for itself."
"Not having heard further from Sir
Wilfrid on February 23, we addressed
to him the following letter:

Chap. Cut Mixture.
"Sir.—As we find it necessary to
leave Ottawa to-morrow, we desire to
refer to our interview of February 17
respecting Manitoba's claim for exten-
sion of her boundaries westward and
northward, when you were good enough
to suggest that if we would remain here
for three or four days you would then
be in position to give us an answer
respecting same. Up to the present
time, however, we have heard nothing
further from you excepting your state-
ment in Parliament on Tuesday last
when introducing your autonomy bill,
which, we presume, represents your
final and final decision as to our west-
ern boundary.

"In view of Manitoba's very strong
claims as presented to you in the mem-
orandum unanimously passed by our Leg-
islature and supported and supple-
mented in our interview, we must en-
ter on behalf of the Province our firm
protest against your decision in refus-
ing to grant the prayer of our request
for extension of our boundaries west-
ward and northward, and we regret that
apparently local considerations have de-
prived Manitoba of what she rightfully
regards as a most just claim.

"Respecting the extension northward,
we most respectfully urge upon you
that this should engage your consider-
ation and attention during the present
session. We, of course, most emphati-
cally deny the right of Quebec and On-
tario having anything to say in respect
to the extension of our boundaries
northward in the Keewatin district, to
the shores of Hudson Bay. This dis-
trict has been so long attached to Mani-
toba, that it is impossible to conceive
how Quebec and Ontario, who already
have their boundaries north to James
Bay, could advance any claim worthy
of consideration that would necessitate
delay in attaching this territory imme-
diately to our Province. We regard this
as exclusively matter for settlement
between your Government and Mani-
toba.

"We sincerely trust upon further con-
sideration you may see your way clear
to grant the request we make on be-
half of the united Province. Yours re-
spectfully, B. Rogers, C. H. Campbell.

Sir Wilfrid Killing Time.
Mr. Rogers went on: "Notwithstand-
ing Sir Wilfrid's invitation and our in-
terview followed by his promise, of
which he was reminded by our letter,
strange to say that up to this very hour
we have no reply to our letter of Feb-
ruary 23. What more natural conclu-
sion can be arrived at than that Sir
Wilfrid is simply killing time and mak-
ing pretexts in order that the polite
invitation of His Excellency, Mr. Sbar-
retti, could be acted upon by Mani-
toba?

"In this way, of course, Sir Wilfrid
thinks he can secure some political ad-
vantage for his friends in this Prov-
ince. This is a palpable political
trick which he is quite capable of un-
derstanding, with the view to force the
local Government to do something
which would be resented by the peo-
ple and by this means he hopes to re-

instatate his Liberal friends in power
here.

"For one, promise to take no chances
in allowing Sir Wilfrid or any person
else to take advantage of us by any
underhand scheme of this sort. All I
ask is that every citizen of the Prov-
ince should have an opportunity of
expressing his opinion by his vote
against the delay.

"I deny the right of Sir Wilfrid Lau-
rier and Mr. Sbarretti to undertake to
mix up the matter of separate schools
with that of extension of our bound-
aries. I am sure in so doing they do
not reflect the wishes of either the
Roman Catholics or Protestants in the
Province. It will become The Globe to
make this charge against the Govern-
ment of Manitoba, when the only per-
sons affected are Sir Wilfrid and His
Excellency Mr. Sbarretti.

"We have no desire in Manitoba for
any double-dealing about this or any
other question. This, however, appears
to be a favorite course with Sir Wil-
frid Laurier.

Relations With the Vatican.
Mr. Rogers then went on to discuss
at considerable length the relations
and negotiations had by Sir Wilfrid
Laurier with the Vatican over the set-
tlement of the Manitoba school ques-
tion, which were conducted through the
Hon. Mr. Fitzpatrick and Charles Rus-
sell, showing that Sir Wilfrid had as-
sured the Vatican at that time that the
question was by no means settled—Mr.
Russell, the Canadian legal represen-
tative, using the following words to
Cardinal Rampolla:

"We do not solicit His Holiness to
sanction as perfect the concessions ob-
tained, but that in his wisdom he will
be pleased to regard them as a begin-
ning of justice."

Mr. Rogers continued as follows:
"Now this, to my mind, is conclusive
that Sir Wilfrid, in combination with
Mr. Sbarretti had hoped by their pre-
sent course to carry out a promise
given through their accredited repre-
sentative, Charles Russell, in this un-
derhand way.

"In view of the foregoing I am sure
that Sir Wilfrid Laurier owes it to the
people of this Province to give at once
the same reason why we are not en-
titled to immediate consideration and
action, other than the flimsy excuse
which he has himself already created
in his invitation to Premier Whitney
to advance a claim to some portion of
Keewatin, which did not form part of
old Canada.

Laurier Had Full Knowledge.
"It is certainly idle for any person to
assume that Mr. Sbarretti, occupying
the position he does, would presume
to suggest the terms and conditions
which he did without the full knowl-
edge and consent of Sir Wilfrid and
his colleagues. And, on the other hand,
Sir Wilfrid's attitude carries with it
evidence of their full knowledge of the
arrangement as is evident by the crea-
tion of excuses for delay, as well as
by his failure to give any reason of
cause for same, and, further, by his
unfairness in bringing down one side
of the case only and attempting to se-
cure the prejudgment of the people
without their having Manitoba's reply
to his minute of council of March 21,
which was received by this Govern-
ment on March 23 and replied to on
March 31."

"Can you give us your reply for pub-
lication?" Mr. Rogers was asked.

"No, because it can only be made
public through the usual channel, that
of being laid upon the table of the
House. Sir Wilfrid is at perfect lib-
erty to do this and should do it at once."

DEAD MAY REACH 35.

Powder Explosion in Leiter Mine at
Zeigler Intentional.

Benton, Ill., April 5.—The death list
at Zeigler is expected to reach 35.

Last night State Mine Inspector At-
kinson and Zeigler Inspector Graham
went down into the mine and were
brought out dead. Former State Mine
Inspector Evan Johns has given out
the statement that the explosion was a
powder explosion.

This gives rise to rumor that the
mine was intentionally destroyed by
the enemies of Joseph Leiter.

A SPRING NEED

THE INDOOR LIFE OF WINTER IS
HARD ON THE HEALTH.

Not exactly sick—but not feeling
quite well. That's the spring feel-
ing. The reason—close confinement
indoors during the winter months,
breathing the impure air of badly
ventilated houses, offices and work-
shops. The trouble may manifest it-
self in a variable appetite, little
pimples or eruptions of the skin, a
feeling of weariness, and perhaps in
occasional headache, or a twinge of
neuritis or rheumatism. Perhaps
you think the trouble will pass away
—but it won't unless you drive it
out of the system by putting the
blood right with a health-giving
tonic. And there is only one abso-
lutely certain, blood-renewing, nerve-
restoring tonic—Dr. Williams' Pink
Pills for Pale People. Thousands of
grateful people have testified that
these pills are the best of all spring
medicines. They actually make new
blood; they brace the nerves and
strengthen every nerve of the body.
They make tired, depressed ailing
men, women and children bright,
active and strong. Mrs. N. Ferguson,
Anfield, N. S., says: "For the bene-
fit it may be to others I take much
pleasure in saying that I have found
wonderful benefit from the use of Dr.
Williams' Pink Pills. When I began
taking them I was so badly run
down that I could scarcely be about
the house. I was also troubled with
palpitation of the heart and weak
spells, but the pills have fully re-
stored me and I am now enjoying
better health than I ever expected
to have again."

If you want to be healthy in spring
don't dose yourself with purgatives—
they only weaken—they can't cure.
Don't experiment with other so-called
tonics. Take Dr. Williams' Pink
Pills at once and see how quickly
they will banish all spring ailments,
and make you active and strong.
Sold by all medicine dealers or sent
by mail at 50 cents, a box or six
boxes for \$2.50 by writing the Dr.

Explosion Kills Three Men.

Bridgeport, Conn., April 5.—Three
men were killed instantly yesterday in
an explosion that blew to pieces one
of the brick buildings of the Union
Metallic Carriage Co. in Barham av-
enue. The 1,900 employees of the com-
pany who were working in the plant
at the time of the accident, believing
that the loss of life was large, became
panic stricken, while thousands of their
relatives gathered outside the factory
and attempted to enter.

British Warships Sold.

London, April 5.—An unusual sale
occurred at Chatham dockyard yester-
day, when thirty-one obsolete Brit-
ish warships were sold to the highest
bidder. The total realized was \$699,-
400. The lots include twelve cruisers,
among them being the Warspite,
Northampton, Galatea and Australia,
two torpedo boats and the training ship
Exmouth. The terms of sale provide
that none of the vessels could be sold
to a foreign power. All of them must
be broken up within twelve months. The
ships sold represented an original out-
lay of \$15,000,000.

Pope Admires King Edward.

Rome, April 5.—The Pope yesterday
received in private audience the Duke
and Duchess of Connaught and their
daughters, Princesses Margaret and
Patricia. The Duke recalled his for-
mer visit to Pius IX. and to Leo XIII.
The Pontiff thanked the Duke warmly
for his visit and sent his greetings to
King Edward, whom he admires as a
ruler. The report that the Pope has
sanctioned the marriage of the King
of Spain with Princess Patricia of Con-
naught, is unfounded.
