JAS. J. HU

Vol. 18, No. 3.

If there was any one with more emphasis than the New York Conventions, the chance of having Italian black brood. One inspector got up and stated with was simply impossible brood with black Review.

* *

In the Farmers Advocate, Mr. Heltermann, the questions asked by a this to say in reply question: "Is there any son can cure foul brood?" "Yes. The method is from diseased comb, brood, giving them starvation in frames. After again upon starters of dation."

Is this an error of the an oversight on Mr. F "Two" days is not long have read "four".
