

AVONDALE FARM

Only one bull left that is fit for service. His sire is Champion Echo Sylvia Pontiac and dam a 24 B. 27-old daughter of Bear Apple Kordorky 8th. We have, however, several others six months old.

SHRDS:

1. Champion Echo Sylvia Pontiac, son of May Echo Sylvia.
2. Woodcrest Sir Clyde, our 22 lb. bull. We are offering several of his bull calves at bargain prices.
3. King Echo Sylvia Johanna, a son of Bell Model Johanna 2nd, our twice 47 lb. cow, and by a son of May Echo Sylvia by King Pontiac Arisa Canada. This young sire was bought by Quentin McAdam of Uxas, for \$8,500 at public auction.

We want to sell 10 calves in the next two months, and quality considered, are going to offer prices that cannot be met. We seldom have to keep them over five or six months.

The \$4,400 cow sold at the Brethren Sale was sired by our former herd bull, King Pontiac Arisa Canada, and the \$3,900 calf by our Champion Echo Sylvia Pontiac. These are the highest prices by far, ever paid in Canada for these classes.

Send for pedigrees.

Killing Business

The man who stops his little "ad."

Is not so very wise, indeed!

Because his weekly "signals" tell

Dairy farmers what he has to sell;

And if his "ad." is not on deck,

They're apt to pass him up, by heck!

And none of them will hesitate

To trade with others up-to-date.

To stop your "ad." we would remark

Is just like winking in the dark;

You may know what it means, but get

Nobody else can ever see.

So do not for a moment think

That when you cut out printers' ink

They're saving money on the side;

'Tis helping business, surely.
