THE TILLSBURG SALE OF AYRSHIRES.

The Southern Counties Ayrshire Breeders' Club has made arrangements this year to hold its second annual sale at the Imperial Hotel stables, Tillsonburg, on Dec. 30. The sale room will be seated, heated, and well lighted, so that everybody will be comfortable.

It would be a difficult matter to secure a draft of cattle possessing the desirable Ayrshire characteristics of "beauty and utility" in a more marked degree than the lot which is to go under the hammer at this sale. The members of the Club intend to make this sale an annual event, and they know full well that a satisfied customer is their best advertisement. The Club has, therefore, incorporated in its constitution, very strict rules regarding consignment sales. All by-bidding or bidding in of stock is absolutely prohibited. Everybody is, therefore, assured of a fair and square deal. In the show-rings at Toronto and London, as well as many local shows, stock purchased at the Club Sale a year ago has been giving a most excellent account of itself. Read the letters from satisfied patrons of the first Club Sale published in the catalog. We believe that the stock offered at this sale is of even superior average quality to the stock sold one year ago.

Much of the stock listed in this sale possesses the blood of the most highly prized strains of Ayrshire cattle in the world. Stock in this sale will be found tracing direct to the sire of the present world's Ayrshire champion cow, Auchebraun Brown Kate 4th (imp.); also to the ex-champion Netherhall Brownie IX, and Jean Armour, which recently sold, when in her fourteenth year, for \$4,000, and her daughter being sold at the same sale for \$3,500. Others trace direct to the sire of the present Canadian R. O. P. champion, Milkmaid 7th, and the ex-champion, Primrose of Tanglewyld, as well as to the great Scottie, which now has about 20 of his progeny in the R.O.P., and is yet the Canadian R. O. P. champion sire. Ten head of richly-bred males are listed, most of them being about one year of age. Most of these possess the very choicest R. O. P. backing, and are fit to head the best herds in the country. In females, about 40 head of all ages, from calves of a few weeks up to mature cows, are offered. A number of the cows will be fresh within a few weeks after the sale.

The sale stable is only one block from the station on the Brantford and Tillsonburg line of the G. T. R., and is only a short distance from the station on the C. P. R. branch, while the Michigan Central and Wabash lines also touch the town.
