

IDEAL WOVEN WIRE FENCE

When you build fence, you ought to be thinking of permanent improvements. Tinkering does not pay. Fences made of light wire, and wires that break rather than give when it gets cold; fences that an unruly animal could break through; fences not properly stayed—these are not paying fences. It takes only a glance at the Ideal fence to see that it is the right kind. It is made of No. 9 hard steel wire from top to bottom, and is heavier and stronger than any fence on the market. Remember, it costs no more to dig your post holes, set your posts, stretch your fence and staple it when the heavy Ideal fence is used than for a light, flimsy article. And notice how the Ideal fence is locked at every crossing. It is heavily galvanized to keep off rust. It will adapt itself to the greatest extremes of heat and cold, and always present a handsome, well stretched appearance. You do not buy poor cable because it does not pay, and you cannot afford to buy a light, cheap fence for exactly the same reason. It pays to study the matter over thoroughly before you buy any kind of a fence. We have prepared a little book that will tell you all about Ideal fence. It gives fence pointers and details that we cannot give here. Write and let us send it to you. A postal will do; write to-day.

COSSIP.

The Broncho is a wonderful pacing mare. At the Cleveland Grand Circuit meeting recently she lowered the race record for three consecutive heats, time 2:03, 2:03½, 2:02½. This makes an average of just 2:03, which displaces the previous best, which stood to the credit of Star Pointer, by a quarter of a second to the heat. She reduced the record for pacing mares in a race, and, in all, about eight world's marks were broken in the performance. At Decatur, Ill., on August 11th, she paced a mile against time in 2:02, lowering the record she made at that track last year.

IMPORTED CLYDESDALES.

Mr. John A. Boag, Ravenshoe, Ont., had eight head of Clydesdales on board the S.S. Marina, sailing from Glasgow, Aug. 4th—six fillies and two colts. He had one stallion from Mr. Peter Crawford, Dumfries, got by the splendid breeding horse, Baden-Powell, sire of the Glasgow prize horse, Memento. He had a two-year-old filly from Messrs. A. & W. Montgomery, Kirkcudbright. She was got by the great breeding horse, Marmon, and bred in the Doune district. A capital two-year-old from Mr. David Logan, Hightown, was got by Dunure Castle, and four superior animals—three fillies and one colt—were got from Mr. Alex. Fleming, Raith, Bothwell. The colt was got by Good as Gold, out of a mare by the H. & A. S. first-prize winner, Rosedale, which had the Duke of Hamilton's and other premiums. One of the fillies was by the Lesmahagow premium horse, Baron Alister, which stood first at the Royal. The other two were uterine sisters from a Prince of Galloway (8919) mare—the one being got by the Lesmahagow premium horse, Frivolity, and the other by the well-known Glasgow, Dumfries, and Hamilton premium horse, Sir Simon.

Mr. Harry G. Boag is a new shipper. He had three stallions from Mr. Peter Crawford, and three fillies from Messrs. A. & W. Montgomery, Kirkcudbright. His stallions were the well-known Sir Lachlan (10460), Erskine's Hero (11700), and The Nobleman (12770), a son of the great Hiawatha (10067), the most outstanding champion Clydesdale of modern times. The fillies were a well-bred lot, one of them being got by Royal Gift, out of a mare by the Rhins of Galloway premium horse, Ornament, and descended from an excellent tribe of mares on Clendrie.

MORE CLYDESDALES AND PERCHERONS FOR CANADA.

Mr. T. H. Hassard, Millbrook, Ont., had on board the Marina, sailing from Glasgow, Aug. 4th, twelve Clydesdales, and almost as many Percheron horses, the latter bought in France. Four of the Clydesdales, chiefly mares, were bought from Mr. Walter S. Park, Hatton, Bishopton, and eight stallions were secured from Mr. Peter Crawford, Dargavel, Dumfries. In Mr. Park's contribution, there were three first-class mares, viz., the mare bred by Mr. Ritchie, and got by the noted premium horse, Elator, which was first last year and second this year at the Greenock Show; also the celebrated Kintyre champion mare, Nora of Baraskomel, by the great Sir Everard, recently owned by Mr. Robert Renwick, Buchley, and, in his hands, first at Kirkintilloch and Shettleston this year; and, third, the first-class three-year-old mare, by Prince of Airies, which was first this year at Bishopton Show. It is seldom, says the Scottish Farmer, three such mares are exported, and with them Mr. Hassard will be rather a hard nut to crack at the autumn fairs in Canada. The stallions from Dargavel were a good, useful lot, with good backs and ribs, and like selling easily in Canada. Among them were horses by the Cawdor Cup champion, Prince Alexander (8899); two by the celebrated prize horse, Baron o' Buchlyvie (11263), whose stock were winning strong at Perth on Saturday; one by the handsome big Sir Everard horse, Sir Lachlan; one by Empire Castle, which we rather think was just at Ayr; another by the good breeding horse, Hill-head Chief, and the last by the well-bred horse, Crown Derby. These horses are out of mares by sires as noted as their own, including Royal Gartly, Darnley, Flashwood, and horses of equal reputation for breeding purposes.
