**ALL FOR 1 CENT!**

The finest Illustrated Catalogue ever issued in Winnipeg of Flower, Field and Vegetable Seeds.

Window Bedding and Vegetable Plants.

Canary Birds, Bird Novelties & Bird Seeds.  
 I am head quarters in all the above lines, having practical experience in every branch, and for 10 years have been actually growing plants, flowers and vegetables from the seed I handle right here in Winnipeg, and thereby know what is best for this climate.  
 The season here is short, and if you miss the one chance by having poor seeds or a variety of seeds that are not suitable for this climate, your chance is gone, and your crop is lost for the season. The catalogue will be brim full of useful information, and you can't find a better on earth to get what you want in anything I handle. Practical experience is far ahead of theory; don't run the risk of having no crop through getting bad seeds. I have the means of testing all seeds as to variety, germinating quality, etc., no other seedsman in the city having such facility. Therefore, it will pay before purchasing your supply of seeds, etc., to send for our handsome catalogue, which will be sent free to any address. One cent will buy a post card, place your name and address on it, and simply say that you want a catalogue for '93, AND YOU'LL BE ALL SOLID.
