Montreal figures supplied to *The Monetary Times* by Messrs. Burnett & Co., St. Sacrament St., Montreal. Toronto quotations "and interest."

"*The Monetary Times* is cautious, critical and watchful rather than sentimentally optimistic."—Sydney (N.S.) Post.

The first carload of butter to be shipped out of Saskatchewan this year by the dairy branch of Saskatchewan's department of agriculture was sent to Vancouver. The fifteen creameries under the co-operation plan of the department of agriculture manufacture about 30,000 pounds of butter weekly. These creameries, with their 10 per cent. increased production, have been taxed to the utmost to produce sufficient butter for local consumption.
