His coat was of good old-fashioned gray, With pockets both deep and wide, Where his "specs," and steel clasped prayer

Lay snugly side by side.

The old man liked to stir the fire, So, near him the tongs were kept ; Sometimes he mused as he gazed at the coals, etimes he sat and slept.

What did he see in the embers there? Ay ! pictures of other years ; And now and then they wakened smiles But oftener started tears.

His good wife sat on the other side. In the high-backed flag seat-chair; You see 'neath the frill of her muslin cap The sheen of her silvery hair.

She wears a " blue checked" apron now, And is knitting a sock for him; Her pale blue eyes have a gentle look, And she says " they are growing dim."

I like to call and tell the news, And chat an hour each day. For it stirs the pulse in an old man's heart To hear of the world away. Be kind unto the old, my friends,

Though bravely once perchance they fought They taught our youthful feet to climb Upwards life's rugged steep; Then let us smooth their progress down

They're worn with this world's strife,

To where the weary sleep .- N. E. Farmer. Only this Once.

"I'll be in again very soon, mother, I am only going round the corner to see White's new bil-liard rooms;" and cap in hand Harry was closing found he was cutting a small piece out of the

and of them he soon learned how to spend the both?

In vain his true friends tried to stop him in his four sous, so I'll just give you two nous, and that

wild career, and five years ago, Harry, Frank, will make us square."

All right, "said Turban, mollified, "that's
"O; father, how dreadful!" and Harry shudfair enough." So Sariol gave his partner a two

countless untold stories as dreadful as this one. when Turban suddenly remarked,
"I think I'll take a reviver now, myself." If we should visit a prison, and ask the wretched inmates how it was they were first led into erimes, we would find that "only this once" said Sariol. brought most of them there. One took some- "To be sure I do," answered the other; where thing which did not belong to him, never intend-ing to do it more than that once; but the crime soon grew into a habit. Another was once. After plodding on another mile, Sariol brake tempted to gamble, and only that one game was in with, the foundation of all his crimes.

words, and when tempted to use them think of all snother."
they may lead you to, and ask for strength to To this Turban agreed at once, and again re resist the temptation; and Harry, do you won-der now at our refusing to let you even once, ward he told Saziol that his logic was quite corvisit the billiard room?"

wish the billiard room?"

"No, father, I see now that you were right, and I was wrong in supposing that it could not possibly do me any harm to go only this once, and if Jim does tell the boys some silly story, to make them laugh at me, I can tell them about Frank Allen, and that will make them sober soon."

rect, two sems for a drink was an unprecedentedly low price—took a drink, and once more returned the coin. And so it went on, at frequent intervals, until the pair at length reached St. Denis, congratulating themselves upon their happy discovery of brandy at half price.

It is superfluous to remark that when they arrived they were not particularly attentive to remark that when they arrived they were not particularly attentive to

thing to do wrong "only this once?" If so, stop and think of the countless stories many wretched made. Governed by this notion they rapidly ones could tell you of its ruining power. Stop, circulated the two sous piece, until the keg was of yours, and then determine solemnly with His suddenly exclaimed, aid to resist unto death temptation to do wrong "only this once."—K. M. in New York Obser-

" 'Twas my Mother's."

A company of poor children, who had been gathered out of the alleys and garrets of the city, were preparing for their departure to new and distant homes in the West. Just before the time for the starting of the cars, one of the boys was noticed aside from the others, and apparently very busy with a cast-off garment.

liard rooms;" and cap in hand Harry was closing the parlor door when his mother called him back.

"I cannot consent to your going there, my dear," she said; "you must know that both your father and myself disapprove of such places."

"But I don't intend to play, mother, only to library was closing a small piece out of the patched lining. It proved to be his old jacket which, having been replaced by a new one, had been thrown away. There was no time to be lost. "Come, John, come!" said the superintender."

"But I don't intend to play, mother, only to old piece of calico?"

"The Idol of Modern Times.

At Exeter Hall there is now a picture, by the lost of any sources, obstructed parsing the healthful action of the well known artist, George Cruikshank, entitled if you desire to be well. The Pills, taking according to the printed instructions, will quickly produce a healthy action in both liver and stomach. These organs must be relieved, if you desire to be well. The Pills, taking according to the printed instructions, will quickly produce a healthy action in both liver and stomach. The worship of Bacchus," in which are depicting to the printed instructions, will quickly produce a healthy action in both liver and stomach. At a station terrible according to the printed instructions, and as old piece of calico?"

which chanced to be one of his father's, upon father. But his own words from the mouth of sivil engineering, was returned to the table; but one so young so shocked that parent, that he he still kept thinking of what the boys would say thought he could not punish him too severely

Dear young reader, do you think it is a triffing business, and were atruck with the simple idea and pray that God will change that careless heart at last found to be empty, whereupon Turban

"Hallo, how's this? we bought six france worth of brandy, it's all out, and there's only two sous in the till !"

"What do you mean by only two sous?" "That's all, there is, my boy."

"Then, you've robbed the cash box This was the signal for a bout at fisticuffs, followed by the interference of the police, when the Coughs and Colds affecting Troops two partners turned their united forces against Will be speedily relieved and effectually cured the officers, were overcome by superior numbers captured, and lodged in the nearest station house. mined the next morning, and sent to the durance vile for eight days. No moral in necessary

places."

"But I don't intend to play, mother, only to look ear the boys say the tables are spleadid, and besides what could I tell Jim Ward after promising to go with him. He is waiting outside for me. Please say yee only this once."

"Tell Jim that we would prefer you should not go and ask him to, walk in and apend the evening," said Harry's father, as he looked up from the paper.

"Oh, I know that he won't do that!" and Earry stood turning the door handle, till finding that his parents did not intend to say saything more he walked slowly to the front stoop.

"Why don't you hurry along," called Jim, and an eye has moistened as the story of cold."

Intendet: "Come, John, Come! saud the supring to do with that to do with that to do with that to do with that the supring the door handle, till finding that his parents did not intend to say saything more he walked slowly to the front stoop.

"Why don't you hurry along," called Jim, and not keep a fallow standing all night in the cold."

"And an even you going to do with that to do with that the supring it to do with that the supring it to take with me. May deer dead mother put the limits terrible, some of the horrors by which such devotions have been distinguished. With all our midder malightismissing, there is no deny, ling into this old jacket for me. This was a piece of her dress, and it is all our modern allightismissing, there is no deny, ling that we have est up in our midst an ide, whose altar is too often a bloody, descertated hearthstone; whose altar is too often a bloody, descertated hearthstone; whose rites are deeds of violence and ask him to, walk in and apend the evening, "asid Harry's father, as he looked up from the paper.

"Oh, I know that he won't do that!" and learny tood turning the door handle, till finding that his parents did not intend to say saything more he walked slowly to the front stoop.

"Why don't you hurry along," called Jim, and not keep a fallow standing all night in the had seen so much sorrow.

Many an eye has moistened as the st

"and not keep a fallow standing all night in the cold."

"I am not going. Wont you come in ?" said Harry.

"Not going! Your mother surely desen't ebject to your looking at a billiard table."

"Bue would prefer I should not go, " and Harry, and Jinr's only reply was a very significant which is a best of the working of the sure total list be sure total list the bour to tall list be sure total list be sure to tall and the bour so that list opens to that was necessary." I don't see what does make father and mother so particular."

Then, entering the packer, he took the first book that came to hand from the table, and taking a seat very far from the light, looked exceedingly manniable.

His father laid said the paper and without seeming to notice Harry's mond, said a wicked and profuse mean, rising the notice, he took the first book that came to band from the table, and a wind to their modies?"

Then, entering the packer, he took the first book that came to band from the light, looked exceedingly manniable.

His father laid said the paper and without seeming to notice Harry's mond, said pleasand; " if wonder if my son thinks himself too old for a story; if not, I have one to tall him about ' entry this cance."" The book Harry mod, said pleasand; " if wonder if my son thinks himself too old for a story; if not, I have one to teal limin about ' entry this cance." The book Harry had taken up, and which chanced to be one of his father's, upon

The Shoemaker and the Wine Merchant.

the still kept thinking of what the boys would say when Jim told an exaggerated story, and his sountenance remained unchanged.

"When I was about your age, Harry, we used to live next door to Mr. Allen, a very wealthy gentleman, who had one son. As Frank was a good natured, merry boy, and had his two beauged not sountenance and alarge play ground, he soon made friends. Many an afternoon did we spend together, riding the ponies, or playing ball on the ground, and one summer afternoon in particular I never expect to forget, for it seems to me now, looking back upon it, as the turning point of Frank's life; but we little thought of an exaggerated story, and his for the offence.

The little one looked the angry man full in the together and property and full in the styring and quietly said:

"Father, if you whip me, who will whip you?"

A thunderholt could not have startled him more. The question set his own sin and desert of punishment in the light of noonday. He turned away confused and sahamed, and said in his heart, "I will awear no more."

He kept his word for the following disease:

A poor man, a shoemaker, took a shop in one of the boulevards of Paris. As he was industricted in the boulevards of Paris. As he was industricted and health faithers, and the leaster to gain property.—About this time gaints, serious, expeditious, and punctual, and withal faithers, and the leaster to gain property.—About this time gaints, should not be gaints, and the began to gain property.—About this time gaints, should not be began to gain property.—About this time gaints, should not be gaints, and the bestier took occasion to step in for an occasional drink of wins. He soon perceived that he was forming a bad habit, and for some days discontinued his visits. The wine particular I never expect to forget, for it seems to me now, looking back upon it, as the turning point of Frank's life; but we little thought of grank and quietly said:

The little one looked the angry man full in the could not be an expression of the boulevards of He kept his word. From that day no oath one now, looking back upon it, as the turning point of Frank's life; but we little thought of such a thing at the time. It only seemed to us a very warm afternoon, and, becoming tired or playing ball, be had stopped to rest on the piazus when Frank proposed that we should take the points of a plank road, a few miles from the house, and race them. I was certain that his father would disapprove of this; and besides, it would have been most cruel work on such a warm afternoon; so I tried to make Frank think of something else he would like to do instead; but all in vain.

"I told that Lie."

Soon after my father moved into the country, one of us children, test of us children, test of us children, test of us children, and the country, one of the shoes are grantus unless the words ways.

"I told that Lie."

Soon after my father moved into the country, one of us children, test of us children, and the country, one of us children, of the book of the shoes are suit us miles the words was the words ways.

"I told that Lie."

Soon after my father moved into the country, one of us children, test of cruelty, he makes complaint and seeks redress.

"Friend," said Crispin, "as I have done to your fowls, so did you to me. You entired me into

came the thought of my father's displeasure, and I shock my head.

"Very well, just as you please, Mr. Good Boy! I know plenty will be glad of the chance to ridd Jet," and so saying, be walked off.
Frank did find a boy, who will delighted to go with him, and enjoyed the rade so much that, notwithstanding his father's reprimend, he managed to pursue the same spect to pursue the same spect to pursue the same spect to Europe for health, and I did not see his son for three years, till I left the country and entered the same college with him. Frank commenced studying very carneally; but before the first year was ended, the earnestness had all passed away. Friends would induce him to spend his evenings at their rooms, or at some public place of amusement, and each time Frank would try to satisfy his conscience with: "It will be only this once." Thus by degrees his lessons were neglected and as study became irksome, his love for excitement and gayety increased if one of the very first day that the rooms of the sayred the same college with him. Frank computed the same college with him. Frank would be presented to same state of the same college with him. remark that he feared Frank's "only this once" would prove his ruin.

A few years before, Frank would have been shocked with the thought of spending afternoons in racing, and evenings in billiard asloons and such places, nor did he at one time ever really intend to go to the latter more than "once" just fair grounds at St. Dunis, taking with them the ever stop in the course of wrong doing, at "only this once."

When tidings of his father's death reached Frank, he seemed more thoughtful for a time; but in an hour of temptation he yielded.
