

"Canadian Industrial Securities"

My list of high-class stocks is very short. They are all given in my little book. I have placed \$5,000 in these stocks with one of my investors, but the greater portion of the investments run from \$100 to \$500. I have selected my list of stocks so carefully that I have absolute confidence in every one of them as a safe investment. I would like investors to ask for my book containing these stocks.
