Of Turkey quite a piece,
And serve it with some Barberry jelly,
And not too much of Greece.
Perchance a Mesopotamia
Would Sweden up her smiles;
If not, let Madagascar if
She'll have some Sandwich Isles.

Is Chili saucy? Let her pause,
Or she Malacca friend
Some day when her New Zealand
strength
Peru-sees its sad end
For Equador may then be closed,
While Chili, with a groan
Sees Paraguay and Uruguay
And leave her all alone.

Who knows just what the Tunis that
The Portuguese all sing?
And do the Michiganders try
The air while on the wing?
The way in which Vespucci planned
To get the laugh on us
And tie his name to this fair land,
Proved him Americus.

The children had written composi-
tions on the giraffe. They were read-
ing them aloud to the class. At last
the time came for little Willie Doran
to read this. It was as follows:

"The giraffe is a dumb animal and
cannot express itself by any sound,
because its neck is so long its voice

—NIXON WATERMAN, gets tired on its way to its mouth."

READ SOME OF THE LETTERS JUST RECEIVED

Dear Sir:—I purchased one of your Belts in December, 1905, and after using it as you directed, I felt like a new man, and I am pleased to inform you that I am just as well to-day and as free from pain as I ever was in my life. I found your Belt much better than was represented, and I have recommended it to many others and shall always feel a pleasure in doing so. I am more than satisfied with my Belt. I followed your instructions and found it complete. Hoping you will have every success.

TIMOTHY LEADBEATER, Lethbridge, Alta.
Dear Sir:—It is some five years since I wrote you that your Belt had given me perfect satisfaction, and I am still as strong and hearty as any man could expect to be. It is certainly a God-send that such an appliance should be invented for the cure of the ailment of poor, wrecked humanity. I can now eat anything that is eatable and digest it well; no trouble worries me and my nerves are very strong. I have been singing the praises of your Electric Belt for eight years and will continue to do so. I cannot say too much for it has made my body a pleasure to own.

W. L. FLEMMINGTON, Lumsden, Sask.
Dear Sir:—I am glad to say your Belt has done me a great deal of good, and I have found a great benefit by it and have

advertised it to others who had any complaints. Any time I feel a little out of sorts I use my Belt and it always fixes me up in good style. I think any hard working man ought to have a Belt as they are the best friend anyone could have.

WM. T. WHITTLE.

Dear Sir:—I wish to tell you what your Belt has done for me. When a lad of eighteen years, I was carrying a heavy bag of corn, and somehow or other I must have hurt myself. A pain came on soon after, like a cramp in the stomach, and it was getting steadily worse until I found relief from your Belt. I tried doctors and patent medicine with no benefit. I then read in the papers of your Belts and their wonderful cures. After purchasing one of your Belts I found relief at once and it has now completely taken the trouble away, and I can now lift anything without feeling that hated pain. My food digests better, and I can now enjoy pleasure, whereas before it was useless to be where I was. I am very well pleased with your Belt, and would not part with it at any cost. I would gladly recommend it to any sufferer, as I have proved it to be a cure for what medicines would not reach.

G. HERMAN, Lobstick Store, Yellow Grass, Sask.

I don't want your money if I can cure you; I don't want any man to buy my Belt on speculation; I take all the chances. I can cite you cases right in our city where men have spent thousands of dollars, and they will tell you that I have given them more relief in one night's use of my Belt than all the Drugs they had ever taken. I am not advertising that I give my Belt away. I am willing to cure you before you pay me. All I ask is that you give me reasonable security. You may then use the Belt at my risk and
