

ons as they conceive will most effectually prevent such interference in the Fishery, and the Illicit Trade connected with it,—and, thereby secure the Rights and Privileges recognised by the Treaty, and intended to be guarded by the Statute. This course has become the more necessary, as the Act of the Imperial Parliament contemplates the further Regulations of the Fisheries by some such means, of which all persons concerned will be bound to take notice. Many of the irregularities complained of may have taken place from the want of such Regulations. There is no intention of intimating that the Government of the United States approves of, or sanctions, any interference with a branch of the Fishery which they have expressly relinquished.

We, therefore, most earnestly and respectfully pray that Your Majesty will be pleased to give Your Royal Assent to the said Act; and, by an Order of Your Majesty, in Council, declare the said Act to contain the Rules, Regulations and Restrictions, respecting the Fisheries for the Coasts, Bays, Creeks and Harbors, of Nova-Scotia.

*Resolved*, That the said Address be received and adopted by the House.

Printing of Journals

Mr. Prescott called the attention of the Council to the proposal which he had made at the commencement of the Session, that the Journals of the Council should be printed; whereupon, it was

*Resolved*, That the Journals of this Session should be printed; and the Deputy-Clerk was directed in future to send a Copy of the Journals of each day's Proceedings to the King's Printer, with an order to print Copies of them, without delay; and also, to prepare the Journals of the previous Proceedings of the Session for publication with all due despatch.

Adjourn

The House adjourned until to-morrow, at two o'clock.
