

## LIVE STOCK MARKETS. TORONTO.

Receipts of live stock at the city market, as reported by the railways, were 89 car loads, composed of 1587 cattle, 1474 hogs, 1238 sheep and lambs, with 72 calves.

The quality of cattle was about on a par with what has been offered on this market for several weeks past.

Trade was dull for the bulk of fat cattle offerings, excepting a very few of the best.

Exporters—There were none on sale, but good to choice export steers are worth as high as \$5, but the bulk being offered are not of that class; bulls, \$3.50 to \$4 per cwt.

Butchers—Few good butchers' were on sale. Choice picked steers and heifers are worth as high as \$4.75; good \$4.25 to \$4.50; medium, \$3.75 to \$4; common, \$3 to \$3.50; canners, \$1 to \$2.

Feeders and Stockers—H. & W. Murby report choice feeders and stockers as being scarce, and all of that quality as being readily picked up. Prices were quoted as follows: Good quality steers, 950 to 1050 lbs., \$3.25 to \$3.60; feeders, 800 to 900 lbs., \$3 to \$3.25; good stockers, \$2.50 to \$2.80; common stockers \$2.

Milkers and Springers—There were about fifty milkers and springers that sold at firm prices, ranging from \$30 to \$65 each.

Veal Calves—The veal calf market was not quite as strong. Prices ranged from \$3 to \$6 per cwt, with an odd lot of the best at a little more money.

Sheep and Lambs—The market remains about steady for sheep and lambs; export ewes sold at \$3.25 to \$3.50 per cwt; rams, \$2.50 to \$3.75; lambs, \$4 to \$4.50 per cwt.

Hogs—Mr. Harris reported selects at \$6.25 fed and watered at the market, and \$6 f. o. b. cars to drovers at country points.

## DRINKING WATER FOR SCHOOL CHILDREN

While it is necessary to provide the active growing child with a substantial mid-day lunch it is quite as necessary to see that he has access to plenty of pure drinking water. Without plenty of good drinking water good health cannot long continue. This is one point on which parents of school children cannot be too careful and no mistaken idea of neighborliness should keep them from insisting that the trustees see that the supply of drinking water is sufficient, convenient and safe. In cold weather the children will probably need a little extra admonition to make them drink as much as they ought. Not a little of the sickness among school children in the winter season can be traced to the fact that they do not drink enough water. Waste matter remains in the system and clogs the body machinery unless plenty of water is supplied.

## ELECTION LAW

Every one who, directly or indirectly, by himself or by any other person on his behalf, makes use of, or threatens to make use of, violence, or restraint, or inflicts, or threatens the infliction, by himself, or by or through any other person, of any injury, damage, harm or loss, or in any manner practises intimidation upon or against any person, in order to induce or compel such person to vote for any candidate, or to refrain from voting, or on account of such person having voted for any candidate or refrained from voting at an election, or who, by abduction, duress, or any false or fraudulent pretence, device or contrivance, impedes, prevents or otherwise interferes with the free exercise of the franchise of any voter, or thereby compels, or induces, or prevails upon any voter, either to vote for any candidate or to refrain from voting at an election, shall be deemed to have committed the offence of undue influence, and is guilty of an indictable offence, and shall, in addition to any penalty thereby incurred, forfeit the sum of two hundred dollars, to any person who sues therefor, with costs.

## WORK THAT WEAKENS

Booth's Kidney Pills Have Done Great Service for People Who Work in Mildmay

Many Mildmay people work every day in some strained unnatural position, bending constantly over a desk, riding on jolting wagons or cars, bending over heavy house work, lifting, reaching, pulling, all these strains tend to wear, weaken and injure the kidneys until they fall behind in their work of filtering the poisons from the blood. Booth's Kidney Pills cure sick kidneys, put new strength in bad backs, Mildmay cures prove it.

Mrs. A. J. Weiler of Mildmay says:— "As a cure for backache, pain in my loins, sides and kidney regions, I found that Booth's Kidney Pills procured at the J. Coates Drug Store were a good cure. The trouble had only been of a short duration but I was greatly pleased to obtain relief from it quickly. My endorsement of Booth's Kidney Pills is hereby given for publication. Price 50c.

## TOO REALISTIC

A gentleman in the north had in his employ a groom who always wore an air of sadness and dejection. On going around his stables one morning the gentleman was surprised to find his groom dangling in mid-air at the end of a trace, one end of which was tied to a beam in the roof, and the other end buckled around the man's waist.

"What on earth are you up to now?" queried the master.

"I am a-tryin' to hang me-self, sir," said the groom, in a tired life tone.

"Then why didn't you tie the trace round your neck?" said the employer, thoroughly tired of the man's foolishness.

"I did try it that way once, sir," came the answer in all solemnity "but I couldn't breathe."

Two daring burglaries were perpetrated in Grand Valley one night last week. Late on Wednesday night the post office was broken into, a large number of letters rifled and the contents strewn on the floor. A registered parcel addressed to Mrs. W. J. Taylor was stolen. The burglars also broke into the jewellery store of J. Gilders and carried off a case containing twenty-five gold and silver watches valued at about \$600.

Boys with hats on the back of their heads and smutty words in their mouths are cheaper than worn out horses. Nobody wants them at any price. Men will not employ them; girls will not marry them. They are not worth their keep to anybody, and they will not keep themselves. Any boy who happens to happen to read this description let him take a look at himself and do what his conscience says is best to do.

Pinkerton was visited by a disastrous fire on Thursday last, and the town hall, a blacksmith shop, and a portion of Mr. Geo. Johnston's residence, together with a large number of new cutters, also the property of Mr. Johnston, were consumed.

## JOS. L. KROETSCH.

H. L. Kroetsch's old stand.

Very few people are wholly at ease during a violent thunder storm. Lightning generally strikes somewhere, and no one feels absolutely safe from it. There is a simple way of insuring one's self against danger, however if you put on a pair of rubbers when the lightning begins to flash, and the thunder to roar, and stand on the floor, so that you touch nothing else, you will be safe as if you were sealed in a glass case. Rubber is a non-conductor of electricity, and if the lightning has to go through a sheet of rubber to get at you, it will leave you alone, and take something else. In other words when you have on a pair of rubbers and are not in contact with anything you are perfectly insulated. This is not a theory merely. It is a fact proved by innumerable experiences. A pair of rubbers have saved many a life in a thunder storm. But they must be sound and whole. Do not don an old pair with a crack in the toe, because electricity will get out of a very small hole when it is cornered, and a pair of defective rubbers will do you no good.

## PLAYING HAVOC WITH PATENT MEDICINES

An Old-fashioned, Home-Made Mixture which Cures Kidney and Liver Troubles.

A prominent local druggist states that since the celebrated prescription of a distinguished specialist has become more or less known it is interfering with the sale of secret medicines, especially the patent or advertised kidney pills. The prescription, which first appeared in a leading health journal, is reproduced here, just exactly as originally written:—

Fluid Extract Cascara..... ½ oz.  
Carriana Compound..... 1 oz.  
Syrup Sarsaparilla..... 6 oz.  
Directions: One teaspoonful after each meal and at bedtime.

Any good druggist can dispense this, or, even better, a person can buy the items separately and mix them at home by shaking them well together in a bottle. It is stated that the ingredients being vegetable, are harmless and simple. It has a gentle and natural action, and gradually tones up the eliminative tissues, leaving the kidneys in a perfectly healthy condition.

A merchant well known in public affairs states that this recipe cured his rheumatism. Save the prescription.
