How the German Marines are Discipli

In the month of August the German cruiser Magdeburg ran ashore in the Russiana. When her new owners acarched her a singular discovery was made. It is thus described in a dispatch from Fetrograd, dated Sept. 3, appearing in the London Morning Post:

"Considerable semation has been created here by discoveries made on board the German cruiser "Magdeburg," that was blown up after going ashore at the enfrance of the Flauish Gulf. A ong the articles lying about the desks on the after-part, where the desks on the after-part, where the created specimens of the old "cat of nine tails." When the Russian authorities went through the ship they found one of these instruments in every officer's cabin, an dall bore signs of long, and, in some cases of hand usage.

Officiated — Address by R. W. Bro. Ponton.

With the time honored and impressive Masonic ceremony, the corner stone of Stirling Public Library was laid yesterday afternoon at two-thirty o'clock in the presence of fifteen hundred people. The site is beautifully and conveniently situated in the center of the village in the Oak Hills and the building when completed will be one of the great features of the municipal life. The village provided the site and received a gift of \$5,000 from Mr. Andrew Carbegie. The municipality will maintain the library. The building is now in the process of erection by Mr. 1.
