**Board of Works.**

B., took exception to railway com-  
panies running harvesters' excursions  
to the West, charging \$18 to return

West. It was believed by the board  
that it was unfair to Eastern Canada,  
owing to it being easier to go West  
than to return. A resolution was  
passed, and each board of trade in  
Eastern Canada is receiving a copy.  
The secretary of the local board has  
just received a copy.

coin bearing the date 1812 was found  
sticking in the mud about three feet  
below the level of the roadway and  
was not discovered until Mr. Foster  
hit it with his shovel. It is not  
thought that the coin is an English

**Question of Route.**

A communication is on file at the  
city hall addressed to A. E. Watts,  
chairman of the Buildings and  
Grounds Committee of the Brantford  
Tuberculosis Hospital from A. M.  
Jackson, C. E., in reference to ap-  
proaches to the hospital and two  
routes were taken into consideration.  
No. 1. By entering the gate the same  
as at present and proceeding westward  
for a short distance, then turning  
south and then turning west again  
and coming back to the present road  
to the sanatorium. No. 2. By enter-  
ing the yards by the barn of the  
County House and running up the  
gully beside the septic tank, then  
turning to the north and approach  
the sanatorium. There would be very  
little difference in the grades of the  
two routes. The estimated cost of  
outfitting the routes in first-class con-  
dition would be as follows: Route No.  
1, \$2,546; Route No. 2, \$2,192.50.

**MR. WILLIAM PEARCE  
HAS PASSED AWAY**

President of Trades and Labor  
Council Died at Hospital

A well known and highly esteemed  
citizen passed away last night in the  
hospital, after a short but painful ill-  
ness, in the person of Mr. Wm Pearce,  
President of the Trades and Labor  
Council. Blood poisoning was the  
cause of death.

The deceased was 30 years of age  
and a moulder by trade.  
The late Mr. Pearce was well versed  
in labor and economic matters and his  
demise will be mourned, especially by  
the laboring men of Brantford, whose  
cause he always championed. He was  
a very fluent speaker and exception-  
ally well read. Although at the time  
of the election of officers for the  
Trades and Labor Council, the de-  
ceased was seriously ill, he was never-  
theless re-elected president.

The late Mr. Pearce was an ardent  
student, and attended the Social Pro-  
gress Class at the Congregational  
church. He was an adherent of the  
Baptist church.

During his career the late Mr.  
Pearce ran for school trustee in Ward  
5, in the labor interests, but was de-  
feated.

The deceased was of a kindly dis-  
position and had many friends among all  
classes of citizens. He leaves to  
mourn his great loss, a sorrowing  
widow and four children.

The funeral takes place to-morrow  
from his late residence, 85 Mary St.,  
to Mt. Hope cemetery.

**Military Notes**

WHAT PAVEMENT  
MIGHT THIS BE?

They Have Made a Real Dis-  
covery in the City of  
Guelph.

A Guelph despatch says: Lively  
times are looked for in settling up  
some of the street paving accounts.  
At last night's council meeting the  
city engineer reported he had sunk  
holes in the Suffolk street pavement,  
which is going bad. He found the  
concrete base from 2 1/2 to 3 1/2  
inches thick, whereas the work was  
paid for on the basis of a five inch  
concrete base.

With the  
City Police

The docket at this morning's ses-  
sion of police court was a real light  
one and it required only a short time  
for Magistrate Livingston to dispose  
of the cases.

Harry Braven, a deaf mute was the  
defendant in a case of indecent as-  
sault and indecent exposure. He en-  
tered a plea of not guilty and on the  
request of the crown an adjournment  
was made until Monday.

The adjourned case of Thomas  
Butler charged with a breach of the  
building by-law was again adjourned.  
Clarence Betts was charged with  
procuring liquor while on the prohi-  
bited list. A fine of \$10 was impos-  
ed.

The adjourned case of Chas. Biggs  
charged with non-support was before  
the magistrate again. He claimed

that he had work but his wife stated  
that she had not seen him since Sun-  
day Biggs was asked what he was  
willing to allow his wife. His answer  
was, "No more than the law allows."  
Magistrate Livingston adjourned the  
case in order that separation papers  
may be applied for.

The case of Welby Lutes, charged  
with assaulting his wife was again ad-  
journd for a week. The wife of the  
accused who was the plaintiff in the  
case, said that Lutes had started to  
work.

**COOMBS OUT OF IT.**

PHILADELPHIA, Sept. 3.—"Jack"  
Coombs, whose pitching helped to  
bring two world's baseball champion-  
ships to Philadelphia, will probably  
not be in the world's series next  
month in the event the Athletics win  
the American League pennant.

After being ill all season, he has

been compelled to take to his bed, as  
a result of a severe wrenching of his  
side during batting practice on Labor  
day. Coombs is in an enfeebled con-  
dition and his physician said it would  
be out of the question for him to rally  
in time.
