Panama canal tolls for April amounted to \$1,378,967

About \$2,200,000 is to be spent on the construction of roads and bridges in the province of British Columbia this year.

The Customs and Excise revenue for April amounted to \$20,500,000, an increase of \$5,000,000 over the receipts of April of last year.

Emigrants numbering 15,000 left Scotland for Canada during the first four months of the year, according to consular estimates in Glasgow.

Canadian flour has at last been placed on the Panama market. One boat has just loaded the first consignment of any size, 1,000 barrels being taken.

Seventy-five per cent. of the copper produced in Canada in 1922 was the output of British Columbia mines. The Canadian production for the year was 43,321,492 pounds, of which British Columbia accounted for 32,432,521 pounds.

The famous Chateau Frontenac husky dog team, remembered by visitors during last winter's sports season, is being perpetuated. One of the dogs has just given birth to three pups, and if the youngsters turn out to be like their parents the Chateau Frontenac team is likely to continue winning dog derbies.

Fishing licenses in the Maritime Provinces have been reduced. The special fishery regulations for Nova Scotia, New Brunswick and Prince Edward Island have been amended to provide that in many instances where the license has been more than a dollar it will now be one dollar.

No limit will be set to the help to be offered to new settlers in the agricultural sections of the province of Quebec, according to Premier Taschereau. The latest government provision is to pay colonists at the rate of \$4.00 per acre for land cleared on their colonization lots since 1920. \$7,000,000 have been voted for provincial colonization.

The decision of the Canadian Pacific Railway Company to scrap agreements of sale with 30,000 Canadian farmers in the west and enter into new contracts with them, extending over 34 years on an amortization basis, will affect agreements of a value of approximately \$100,000,000, and relieve many farmers of heavy, pressing debts.

The new motor ferry operated between Victoria, B.C., and Bellingham, Wash., develops a speed of 14 knots in adverse weather. This motor driven vessel, recently launched, is the first of its class to be used in this service and the first to be added to the Canadian Pacific fleet. It has a capacity for 50 automobiles.

Abraham Martin, first Scotch settler in Canada, first King's Pilot on the St. Lawrence and first farmer on the Plains of Abraham, which were named after him, has been honored by the Canadian Pacific Steamships, Ltd., at Quebec by the erection of a granite shaft. Hon. Athanas David, Provincial Treasurer of Quebec, officiated at the unveiling ceremony recently.
