Mr. McHardy preached a strong sermon from Luky 13, 24: "Strive to enter in at the strait gate." Last a ght the church was filled again. The service was especially for young people but all ages were well represented. During the song service Mrs. Walker sang "Ab de with Me." The sermon was based on H. Chronicles 34, 3: "In the eighth year of his reign, while he was yet young. Josiah began to seek after the God of David his father." The sermon was a strong appeal to young people to begin carnestly to seek God in youth. The value of religion to young men and young women was forcibly impressed. "Have convictions and have the courage to stand by them!" was the note that rang out through the discourse.

LARGE FUNERAL

Westlake Bros. the popular photographers, have been making some extensive improvements and alterations to their art gallery. Their working department during the past few days has undergone an entire change until now the firm is in a position to accept and turn out any quantity and style of Christmas work.

Last year it was found that this firm was unable to handle the immense amount of bus ness which came with the Christmas season, and it was then decided to increase their facilities for getting out the best work on short notice.

This has been done they ear and now Westlake Bros. will be able to take Christmas work up until a week before Christmas whereas formerly all work had to be in two weeks be fore.

Anyone desiring Christmas work in the line of photos, etc., will make no mistake by calling on Messrs. Westlake Bros.
