onvenient, perhaps" encou Miss Welsh acted on Miss Jones's orbs. Miss Welsh acted on Miss Jones's hint. But, however, it may have added to her convenience, so far as Mr. Bennet was concerned it made the ma'ter worse. She performed her tasks in such a very conscientious way; is she said. Miss Welsh left the room shi such a very conscient ous way, she said. Mass weish left the from the rolled him over and over, she knelt on him—to give her leverage in hau'ing, she even stood on him—she stood him on his feet and on his head.

This weish left the from the said disappeared.

When she was alone, Miss Cecelia Jones carefully extinguished her cigated the stood him on his feet and on his head.

Jones, when she saw that Miss welsh had completed her task. "If Mr. Bentet is unable to stand, you had better prop him up with his back against the wall; Miss Welsh propped Mr. Bentett up with his back against the wall; he would have certainly been walls to try down the wall; he would have certainly been walls to try depending the work of the wall; he would have certainly been worked to try depending the well as the wall; he would have certainly been worked to try depending the well as the wel mable to stand alone, Miss Jones ad-

inable to stand alone, Miss Jones addressed herself to him:

"You see, Mr. Bennet, how entirely have Have Hannah at my control. She is beautifully subjective. As I

need not point out to you, Mr Ben-net, is criminal, and not only criminal, but cowardly. You choose as a rule the night. You choose, preferen-tially, a house in which the inhabitants re helpless. You steal upon them nawares, prepared, if necessary to they are least able to defend themselves. You yourself are a coward of the most despicable sort, or you never would have come, in the dead of the
