

constitutional mode, they are with all laws and all statutes, till the only rule of their procedure will be asked, and a voted upon, because then the stead of having elected representatives to themselves masters, who are constituents shall feel that they are the most of the "brief authorities enough to invest them with, will be asked, because then we refer to, and be in future producible and of easy access, to assert, that the present Administrators have a correct and constitutional of Parliament, we but advert to practically call "a fixed fact."

complimentary card from the Eastern Pictures, and as the Consul's authority, and the Province of Newfoundland, his friends to know how he is approaching had occasion to transact business

in giving publicity to the following Notice, Ex., by the Masters of the put into this port to repair damages

CARD.
American Consul for the Port of
its dependencies—

and, having been compelled, from
awful and destructive gale, to
avail ourselves of the medium of the
our most sincere acknowledgments
which we visited our vessels, and
for their resting, as well as for the
aided by you to ourselves personally

we, as American citizens, have
acquired and now sustain in your
capacity in this place; but we regret
the falling in, your income is
of the office in a manner creditable to
infringing upon funds derived from
life. We earnestly hope that our go-
ernment, provide state assur-
particularly at stations of so much
inabling them to support the dignity of
prosperity and happiness, we remain,
yours,

HENRY WILDER,
Master of schr. Oceanus, of Hingham,
THOMAS HOWARD,
schr. Hannah Grant of Newburyport.

NATHANIEL K. WATSON,
Sch. Florence, of Gloucester.
SAMUEL T. BROWN
Sch. Lake, of Cohasset.

31.

cultural Society.

ETING, 15th October, 1851.

PRESENT:
Peters, First Vice President,
Ex., Second Vice President.
