the probability of the management a big harvest that they are considering up the the construction of their own eleplows, and traction engines will draw their grain to the railway sidings.
Steam plough and gasoline outfits hampered by the scarcity of coal. were to be seen last year. Correspondt affords a water grade nearly all the districts where the settler has taken way, serious engineering difficulties up his quarters, or where the great will be encountered on the divide between the Copper River and Telkwa spoils without observing any residenriver bassins. These, it is now believ- tial qualifications.

Elevators Increasing. Elevators are springing up in almost every town. The elevator is the does homage. Cardston's elevator capacity has been increased from 42 000 having another elevator The town but so great has been the increase of wheat production in a remarkably three. It is estimated that 200 000 bushels will be marketed at Warner his year. Wilson, another rising town vill also have its idol before the harbuilt by the Sunnybelt Grain Co the Taylor Milling Co., of Lethbridge, and

Calgary. Ranchers have had a very successful winter. Horses are in fine shape and go on the market at high prices. Some of the temale bovine stock have suffered by the low temperatures of April, but despite losses the calf crop will be unusually large

Alberta Pacific Elevator Co., of

"Garden of Alberta." This is the southern part of Southon in the legislature last session aproand the only reason the former is not sion that a large number of cases, the member for Cardston claimed this now more largely visited is because such as those with regard to the dog southern part to be the best wheat such as those with regard to the dog southern part to be the best wheat licenses, carters' licenses, or streets badly kept, were regularly disconttindoubt he was right. He claimed that people to secure a bridge over the Sas-people to secure a bridge over the Sas-katchewan in east end of the city discontinued. The system of discon-tinuing the cases against the chotel-tinuing the cases against the chotel-best in the province. The Canadian

ly secured fifty bushels of Alberta Red in this "garden of Alberta" for exhibition purposes at the Seattle fair. If any prize packages on the line of weather have as yet been handed out this district has also secured them. What is wanted is more of God's sunshine A few weeks of favorable wea things are going to go right ahead

\$58,000 FOR PERSONAL INJURIES Jury Awards Trained Nurse Big Damaged Against Railway Company.

New York, N.Y., May 10 .- One of the largest verdicts ever awarded for Barnes (Opposition) 1,210; Harroad. She sued the company for Grace, final, Seymour (Gov't.) \$100.000.
