

THE 3 1-2 H. P., THREE SPEED AND FREE ENGINE HUMBER.

The most up-to-date English Moto Cycle, made with the efficient Sturmey-Archer 3-speed gear and free engine clutch. This machine can be started as easily as a car can be. No pushing and running to tire the rider out. Simply with the rider in the saddle and one downward push on the kick-starter the engine is running; then release your clutch and you glide smoothly off.

Can be ridden with safety on the muddiest of roads owing to its perfect balance and 28" wheels.
Order a "Humber" now and get early delivery.
A sample machine as above has recently arrived. Call and see it. For prices, etc., and particulars of heavier and lighter models, apply

You have noticed that all politicians and public men generally find, sooner or later, their Portraits reproduced in the daily papers or in some publication. It therefore behoves you to see that you always have on hand a recent good Portrait of yourself. Don't say to yourself, Oh, this old one will do.

Let us make a new, good Portrait of you for this purpose.
