The Am. Novel of 1915.

MICHAEL O'HALLORHAN
by Gene Stratton Porter.
This is the story of Mickey the newsboy and his ward-peacher, whom he found with a crippled back and cried for until she was cured. It tells of Mickey's part in the romance of Douglas Bruce and Leslie Winton; and of the kindness of Peter Harding and his wife to peacher, and finally of Mickey's own love story with the wife he found years before.
The book possesses, like all of the author's works, a deep feeling for nature, the charm of the woods, the flowers and all growing things.
Paper 65c.; cloth 90c. Not a dull page in all the 500 pages.
