Not Generally Known!

The average man or woman may think all WAR STANDARD FLOURS are alike. Such is not the case. The Canadian Government has decreed that Flour must not be milled ABOVE a certain standard. But there is nothing to prevent millers from milling BELOW that standard.

Ogilvie's Standard Flour
 is milled to limit of Govt. requirements.

Try a Barrel and be convinced.

BOOK TALK

The Devil's Cradle—Mrs. A. Sidgwick, \$1.60. Here is a story that tells the truth. It reveals the German life and character with an astonishing intimacy of detail.

Foe Farrell—"Quiller"-Couch, \$1.50. A rousing story of adventure. The plot is an unusual one; it assumes dramatic and powerful proportions.

Greatheart—Ethel Dell, \$1.60. An absorbing story which takes an elemental grip on the reader to an amazing degree.

Joan and Peter—H. G. Wells, \$2.00. In the study of the characters, Joan and Peter, the author has done some of his finest, most revealing and brilliant work.

The Man in Grey—Baroness Orczy, \$1.50. Strange and mysterious creature, that elusive personality known to the historians of the Napoleonic era.

Our Admirable Betty—J. Farnol, \$1.60. It is a romance pure and simple, bristling with stirring episodes, with a delightful company of characters.

The Soul of Susan Yellam—H. A. Vachell, \$1.60. War novels cannot as a rule be termed delightful, but there is no other word for this one.

Sylvia Scarlett—C. Mackenzie, \$1.75. A book full of movement, color and life.

That Which Hath Wings—Dehan, \$1.60. A colorful novel of love and war, of wrath and humor, skilfully accomplished. A sequel to the "Dop Doctor."

The Watcher by the Threshold—John Buchan, \$1.50. These tales of strange happenings on the dark and forbidding moors of Scotland have a true flavor of legend.

Tony Heron—C. Kenneth Burrow, 1.50. The story of a temperamental antagonism which leads to tragedy, but tragedy not without hope.

The Zeppelin's Passenger—E. P. Oppenheim, \$1.60. Mystery and suspense, thrills and heart-throbs are intermingled.

Gentlemen at Arms—Centurion, \$1.60. They are real stories, and give in bold, unforgettable outlines, vivid pictures of the men who are saving civilization.

"First and Second Books of Artemas", 75c. each. Concerning men, and the things that men did do, at the time when there was war. "Amazing, witty and profoundly wise."

PALMER.
